**AGREEMENT FOR COMPREHENSIVE FIRE
AND EMERGENCY MEDICAL SERVICES**

**BETWEEN
THE CITY OF LOS ANGELES
AND
THE CITY OF SAN FERNANDO**

THIS AGREEMENT is made and entered into on _____, 2013 by and between the City of Los Angeles, a municipal corporation acting by and through the Los Angeles Fire Department (hereinafter referred to as "the LAFD"), and the City of San Fernando, a municipal corporation, acting by and through its City Council.

WITNESSETH:

WHEREAS, the City of San Fernando seeks to enter into an agreement with the City of Los Angeles for the LAFD to provide Comprehensive Fire and Emergency Medical Services within its jurisdictional limits; and,

WHEREAS, the LAFD currently provides the City of San Fernando with Comprehensive Fire and Emergency Medical Services in the City of San Fernando, a municipal corporation within the County of Los Angeles, and adjacent to the City of Los Angeles; pursuant to a December 14, 1978 agreement, including one amendment, between the City of Los Angeles and the City of San Fernando (Contract No. 49757) and,

WHEREAS, the provision of Comprehensive Fire and Emergency Medical Services in the City of San Fernando is advantageous for the public safety of both cities; and,

WHEREAS, the LAFD is agreeable to provide Comprehensive Fire Services and Emergency Medical Services to the City of San Fernando for compensation; and,

WHEREAS, the City of San Fernando is agreeable to paying the City of Los Angeles for LAFD's Comprehensive Fire and Emergency Medical Services provided, herein.

NOW THEREFORE, it is agreed as follows:

1. PURPOSE

The purpose of this Agreement is for the LAFD to provide the City of San Fernando Comprehensive Fire and Emergency Medical Services within its boundaries (included herein as Attachment A). Comprehensive Fire and Emergency Medical Services (hereinafter referred to as "Services") shall mean the same services the LAFD provides to the residents and businesses of the City of Los Angeles under standard operating procedures including, but not limited to, fire suppression, fire prevention, inspection, paramedic and emergency medical technician functions, and medical transportation. In addition, Emergency Medical Services ("EMS") will be provided as that term is defined in Health and Safety Code Section 1797.72. The City of San Fernando and the City of Los Angeles (hereinafter referred to as the "Parties") mutually agree that the fee for Services should represent the City of San Fernando's comparable share of the total cost of said Services as provided by the

LAFD. The Parties agree to the "Comparable Share of the Total Cost" as noted in this Agreement (included herein as Attachment B).

2. **STATEMENT OF BENEFITS AND INTEREST**

Although the City of San Fernando has the primary responsibility to provide Services to its residents and businesses, the LAFD agrees to provide Services within the corporate limits of City of San Fernando in the same manner it provides to its residents and businesses. Except as otherwise agreed, Services shall only encompass duties and functions within the jurisdiction of and customarily rendered by the LAFD under the City of Los Angeles Charter and ordinances, and or under authority or statutes of the State of California.

3. **GENERAL PROVISIONS**

A. **TERM**

The term of this Agreement shall commence upon execution by all Parties and shall remain in effect for a period of five (5) years, and may be amended to extend the term of the Agreement up to two (2) additional five (5) year terms, by mutual written agreement of the Parties.

B. **RATIFICATION**

In order to provide uninterrupted Services crucial to public safety, the City of San Fernando agrees that Services have been provided prior to the date of execution of this agreement and therefore, both parties agree that the calculation and payment of services under this Agreement shall begin on July 1, 2012, and will be made annually thereafter.

C. **SERVICES**

The LAFD shall provide the City of San Fernando with the same level of Service that the LAFD provides to the territory within its corporate limits. Such Services shall be in accordance with the appropriate national and area standards, as defined above in Sections 1 and 2. The discipline of officers and other matters incidental to the performance of such Services, and the control of personnel so employed, shall remain at all times with the LAFD.

D. **SERVICES INCREASE**

In the event there is a significant increase in providing Services in the City of San Fernando as compared to the previous twelve (12) month, fiscal year period and such increase is not proportional to the increase in services provided in the City of Los Angeles, then the Parties agree to meet and negotiate, in good faith, a fair and equal adjustment in the fee paid to the LAFD for its increased costs for providing Services to the City of San Fernando. If an adjustment cannot be negotiated, both Parties agree to pay and accept Service fees as described in this Agreement's Fees and Method of Payment Section.

E. **SUPPLIES**

For the purpose of performing Services under this Agreement, the LAFD shall furnish and provide all necessary supplies to maintain and provide normal operating Service levels. The Parties further agree that in all instances where

special supplies, stationary, notices, forms, and the like must be issued in the name of the City of San Fernando, the City of San Fernando shall provide the same at its own cost and expense.

F. PAYMENT FOR PAST SERVICES

Whereas the LAFD has provided Services to the City of San Fernando under a prior agreement (Agreement No. 49757), both parties agree that any amounts due under that Agreement will be paid in a manner agreeable between the Parties.

G. EMPLOYMENT POLICY

Each Party's employees shall at all times be subject only to the laws, regulations, and rules governing their respective employment and employer, regardless of the incident location. Employees shall not be entitled to compensation or other benefits of any kind other than specifically provided by the terms of their respective employment or employer.

H. CODE ADOPTION

The City of San Fernando agrees to fully adopt the City of Los Angeles Fire Code, as well as the City of Los Angeles Building Code, pursuant to all laws, rules, and regulations, including all amendments.

I. FIRE HYDRANT SYSTEM

The LAFD will annually test the City of San Fernando's fire hydrant system in accordance with the LAFD's policies and procedures. The LAFD will notify the City of San Fernando of the annual test results, including any defects, faults, or notices to cure and correct said defaults. The City of San Fernando agrees to repair at its own cost, within a reasonable period of time, any portion of such system defects. The City of San Fernando will also notify the LAFD, in writing, of long-term repairs to said system or any changes contemplated or made to its fire hydrant system.

J. FEES AND METHOD OF PAYMENT

- (1) **Fees** The LAFD will charge a yearly fee for the Services. The fee may be paid in full or will be payable in monthly installments, due in advance of any Services.
- (2) **Invoices** The LAFD will provide a monthly invoice a minimum of 30 days prior to the upcoming Payment Due Date.
- (3) **Payment Due Dates** With the exception of the first payment, payments are due on the first day of each month. The first payment is due upon execution of the Agreement. Subsequent payments are due in accordance with the above schedule.
- (4) **Service Period** Service periods are calculated on an annual basis. The first service period will begin on July 1, 2012 and end on June 30, 2013. Thereafter, each Annual Service Period will always begin the following July 1 and end June 30 of the following calendar year.

(5) **Fee Calculation and Reconciliation** The LAFD will estimate its fees based on cost of Services during the preceding Service Period. The cost will be determined by taking the assessed value of the City of Los Angeles compared to the assessed value of the City of San Fernando. This ratio will then be applied to the Total Budget for the Los Angeles City Fire Department including its Operating Budget, Related and Indirect Costs, and reduced by the total revenue allocated in the proposed budget.

K. **NONDISCRIMINATION** Both Parties shall comply with all Federal and State statutes relating to nondiscrimination and all applicable requirements of all other Federal and State laws. These include, but are not limited to: (a) Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, disability, or national origin; (b) Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination on the basis of disabilities.

If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with

requirements prescribed by the CITY. These records shall be retained for a period of no less than three years following final payment made by the CITY hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized CITY personnel or by the CITY'S representative at any time during the term of this Contract or within the three years following final payment made by the CITY hereunder or the expiration date of this Contract, whichever occurs last. CONTRACTOR shall provide any reports requested by the CITY regarding performance of this Contract. Any subcontract entered into by CONTRACTOR, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
