Dear Ms. Gin,

Thank you for your correspondence dated January 17, 2013.

In response to your request that the Ponte Vista Project applicant, SFI Bridgeview, LLC, agree to extend the February 19, 2014 deadline to present the Project to the City Council, we have been in contact with the Council Office and the PLUM Chair regarding scheduling the Project hearing dates before PLUM (second hearing) and the City Council. We have also been in contact with the City Attorney's office regarding the schedule which is necessary for the City Attorney to complete its review of the ordinances and resolutions to be presented to the City Council. Based on our coordination and consultation, all have agreed that the Project can and should be scheduled for hearing before PLUM on February 25, 2014 and City Council on February 26, 2014.

Accordingly, in response to your request, SFI Bridgeview, LLC, will agree to extend the deadline for City Council consideration of the Ponte Vista project from February 19, 2014 to March 1, 2014.

Thank you for your cooperation and assistance. Please contact me if you have additional questions.

Best regards,

-David
