EASEMENT AGREEMENT BETWEEN
THE CITY OF LOS ANGELES AND CITY OF ONTARIO FOR RECLAIMED WATER LINE
AT LA/ONTARIO INTERNATIONAL AIRPORT

The CITY OF LOS ANGELES, DEPARTMENT OF AIRPORTS (hereinafter referred to as "Grantor"), hereby grants to CITY OF ONTARIO, a City (hereinafter "Grantee"), a non-exclusive easement ("Easement") for the transmission of reclaimed water through a reclaimed water line and appurtenances thereto ("Grantee's Facilities" or "Facilities"), along, under, across, over or through Grantor's real property at LA/Ontario International Airport ("Airport"), situated in the County of San Bernardino, State of California, described as follows:

Those portions of Lots 59 and 60 of Map of Orange Park, filed in Book 17, page 55 of Maps, that portion of the northwest one-quarter (NW ¼) Section 27 of Township 1 south, Range 7 west, S.B.M., all as shown on Record of Survey filed in Book 9, pages 65 and 66 of Surveys, and that portion of Vineyard Avenue (100 feet wide) as described in Resolution No. 6332 recorded April 7, 1967 in Book 6800, page 587, of Official Records, all records of San Bernardino County, located in the City of Ontario, County of San Bernardino, State of California, more particularly described on Exhibit "A" and depicted on Exhibit "B" attached hereto and made a part hereof.

Grantee shall use the said Easement for the purpose of relocating, installing, laying, constructing, maintaining, inspecting, repairing, operating, altering, replacing, reconstructing, removing, using and, from time to time, inspecting Grantee's Facilities subject, however to the following conditions and reservations:

1. Grantor's full use and enjoyment of the surface thereof, subject to Grantee's rights therein.

2. Access shall be over such roads and ways on Airport as shall be prescribed by Grantor's Executive Director, or the designee of the Department of Airports.

3. To the extent required by law, Grantee shall hold Grantor harmless and defend and indemnify Grantor for any injury or damages caused by Grantee's negligent activities undertaken pursuant to this Easement Agreement.

4. Before undertaking any emergency or non-emergency work in secured (restricted) areas inaccessible to the general public, Grantee shall first obtain escorted access from the Ontario Airport Manager, or his or her designee(s), by calling Airport Maintenance at (909) 544-5254, or such other telephone number(s) as may be indicated in writing to Grantee.

Before undertaking any emergency or non-emergency work within (unsecured) areas accessible to the general public, Grantee will provide advance notification to the Ontario Airport Manager, or his or her designee(s), by calling Airport Maintenance at (909) 544-5254, or such other telephone number(s) as may be indicated in writing to Grantee.

In making any excavation upon said Easement, Grantee shall give proper advance notice to Grantor in accordance with this Section 4 and shall restore the surface of the ground, including paving and landscaping, if any, to as near as practicable the same condition as it was prior to such excavation.

Grantee will use its best efforts to ensure that such work shall not interfere with the operation of Airport, its tenants and/or the traveling public.

5. Grantee's contractor(s) shall be required to provide insurance in the amount required by the Department of Airports for non-airfield work or Airfield Operations Area work whichever is appropriate, whenever repair, relocation, construction, reconstruction or alternation of Grantee's Facilities becomes necessary.

6. Grantee, by the acceptance of this Easement, agrees that in the event the reclaimed water for which said Grantee's Facilities are constructed is ordered or requested by Grantor discontinued, and the Grantee is not required by any law, rule or regulation of any governmental authority to furnish reclaimed water from said Grantee's Facilities, Grantee will at Grantor's election, remove and/or abandon in place, in whole or in part, said Grantee's Facilities within 120 days after receipt from the Grantor of the notice in writing of the discontinuance of service. This Easement will then be null and void and Grantee shall, at Grantor's written request, execute a Quitclaim Deed reconveying this Easement to Grantor.

7. Grantor agrees not to revoke this Easement agreement so long as Grantee is under a duty or obligation to provide reclaimed water to Grantor or Grantee's customers from the Facilities which are the subject of this Easement and Grantee has not breached a material aspect of this Easement. Upon expiration of the duty or obligation of Grantee to supply reclaimed water or after breach of a material aspect of this Easement, this Easement is revocable by the Grantor and Grantee shall, at Grantor's written request, execute a Quitclaim Deed reconveying this Easement to Grantor.

8. The Easement granted in this agreement is nonexclusive. Grantor retains the right to grant concurrent easements to third parties within the Easement granted hereunder.

9. The Easement granted herein is personal and specific to Grantee. This Easement, or any right, privilege or interest therein, shall not be sold, conveyed, transferred or assigned by Grantee without the prior written consent by the Board of Airport Commissioners. Any purported sale, conveyance, transfer or assignment by Grantee of the Easement, or any right, privilege or interest therein, shall be a material breach of this Easement Agreement, and shall be void and of no effect.
