WHEREAS, in March 2010, President Barack Obama signed into law the *Patient Protection and Affordable Care Act* (Affordable Care Act) to ensure that all Americans have access to quality, affordable health care; and

WHEREAS, according to the Congressional Budget Office, the Affordable Care Act is fully paid for and will provide coverage to 94 percent of Americans; and

WHEREAS, under the Affordable Care Act, consumers may choose a health plan and may not be denied or dropped from coverage due to pre-existing conditions; and

WHEREAS, the Affordable Care Act also expanded Medi-Cal coverage to include individuals and families under 138 percent of the federal poverty level; and

WHEREAS, the Affordable Care Act specifically denies health care coverage to undocumented immigrants; and

WHEREAS, on February 13, 2014, Senator Ricardo Lara introduced Senate Bill (SB) 1005 which would expand access to health care coverage to all Californians, regardless of immigration status; and

WHEREAS, recent estimates by the proposer of the bill indicate that up to four million Californians will be uninsured after full implementation of the Affordable Care Act; and

WHEREAS, according to the author of SB 1005, access to preventive care keeps people healthier by providing regular check-ups and screenings, and early diagnosis of health problems; and

WHEREAS, the City of Los Angeles should support legislation that provides health insurance and access to medical care to all sectors of our communities;

NOW, THEREFORE, BE IT RESOLVED, with the concurrence of the Mayor, that by adoption of this Resolution, the City of Los Angeles, hereby includes in its 2013-2014 State Legislative Program, SUPPORT of Senate Bill 1005 (Lara) which would expand access to health care coverage for all Californians, regardless of immigration status.
