RULES, ELECTIONS & INTERGOVERNMENTAL RELATIONS

WHEREAS, any official position of the City of Los Angeles (City) with respect to legislation, rules, regulations or policies proposed to or pending before a local, state, or federal government body or agency must have first been adopted in the form of a Resolution by the City Council with the concurrence of the Mayor; and

WHEREAS, on August 13, 2014, the state legislature approved and the Governor signed AB 1471 (Rendon) - the Water Quality, Supply, and Infrastructure Improvement Act of 2014 (the Water Bond); and

WHEREAS, the Water Bond will be placed on the ballot for the November 4, 2014 statewide general election as Proposition 1; and

WHEREAS, if approved by the voters, Proposition 1 would authorize the issuance of bonds in the amount of \$7.55 billion to finance a water quality, supply and infrastructure program; and

WHEREAS, Proposition 1 seeks to provide funding, up to \$520 million, to support clean, safe and reliable drinking water projects throughout the state; and

WHEREAS, the measure also seeks to allocate up to \$1.5 billion to support watershed protection and restoration projects, including urban creek and river enhancement projects; and

WHEREAS, Proposition 1 will also provide funding for water conservation and water-use efficiency projects, including stormwater capture/management projects; and
