Hi Sharon & Etta,

I would like to ask that you please add my comments to the council File Related to the Second Dwelling Unit Repeal Ordinance (CF:14-0057-S8)

Dear City Councilmembers,

Please vote in favor of the SDU Repeal Ordinance with Urgency and without amendments.

SDUs in Los Angeles can greatly help our community in more than one way. As a young professional recently out of school, I experience firsthand the balancing struggles of wanting to advance my career in a major city, such as LA, while still being able to find affordable housing options so that I can save up for my future. Having SDUs available at a below market rate would definitely help me and all the other recent college graduates find a place for ourselves in this amazing city.

I welcome any questions and comments that you may have. Thank you for your time.

Sincerely,
Alice Zhao
