Dear City Council Members,

I am ONCE AGAIN writing to voice my opposition to the proposed repeal of the second dwelling ordinance and the PROPOSAL to allow NEW permits for outsized second units until September 30!!

Allowing this Proposal will have lasting negative impacts on the character and infrastructure of our neighborhoods. Abandoning the city's local control of second dwelling units will leave us at the mercy of incredibly weak state standards, and throw open the gates to developers to further fuel real estate speculation in our neighborhoods.

You have several options at your disposal to bring the City into compliance with state law on second units. There is simply no reason to discard our protective local standards. If revisions to the Second Dwelling Unit ordinance are necessary, at the very least they must be considered with adequate public outreach, not on the current "fast track" basis, so that all stakeholders have the opportunity to consider proposed changes and express their opinion.

Sincerely,
J.Moses
