SUMMARY

In a report to the Board of Police Commissioners dated July 18, 2014 (attached to the Council file), LAPD requests authority to accept a monetary donation for the next phase of the Department Digital In-Car Video System. Phase II of the Digital In-Car Video System entails the installation of cameras in patrol vehicles in the Department's Central, West, and Valley Bureaus. According to LAPD, the Digital In-Car Video System will provide quicker and more credible adjudications of personnel complaints and administrative investigations. On July 29, 2014, the Board approved the Department's request.
