SUMMARY

In a report to the Board of Police Commissioners dated October 24, 2014 (attached to the Council file), LAPD requests authority to accept the donation of landscaping products and services. The donation will be used to improve the exterior appearance of the Foothill Area station. The items will allow drought tolerant, low maintenance landscaping in the front of the station and hardscape to the rear. Local non-profit groups will provide volunteers to assist with the planting. On November 4, 2014, the Board approved the Department's request.

At its meeting held December 12, 2014, the Public Safety Committee recommended that Council authorize LAPD to accept this donation.

Respectfully Submitted,
