

ITEM No. 2 - A

MOTION

I MOVE that the matter of the Exemption, Public Works and Gang Reduction Committee Report and Ordinance First Consideration relative to establishing a procedure for appeals to the Council from environmental determinations by certain nonelected decisionmakers, Item No. 2 on today's Council Agenda (CF 14-0090-S1), BE AMENDED to add the following recommendations:

3. Request the City Attorney to report back on the feasibility of amending the Ordinance dated May 6, 2019, to allow the CEQA appeals and all supporting documents to be filed with only the Office of the City Clerk.
4. Request the City Attorney to report back on the feasibility of notices of environmental decisions being made publicly available on the City's website, including a link to the County Recorder's website where environmental notices may be accessed.
5. Request the City Attorney to report back on the feasibility of increasing the time to file an appeal of either a Notice of Exemption or Notice of Determination to give appellants more time and to better standardize appeals timelines across the City.
