Re: Item # 2 – 140153

Honorable Councilmembers Huizar, Cedillo and Englander

We are writing to you today to support the appointment of Mr. Tom O'Donovan to the West Los Angeles Area Planning Commission. Mr. Donovan is not only qualified for this appointment but the City is fortunate to have such an accomplished person willing and so able to serve in this area.

We concur with Mayor Garcetti's statement that Mr. Donovan is "qualified for the work" and that this appointment is "in the interest of the City".

We enthusiastically support the appointment of Mr. Donovan to the West Los Angeles Area Planning Commission and are grateful to him for agreeing to serve as a Commissioner to the City.

Sincerely,

Carol Sidlow  
Lookout Mountain Alliance – Vice President
