

**MOTION**

I HEREBY MOVE that Council INSTRUCT staff to:

- a. Examine the possibility of establishing some sort of "life-line program" similar to those of the Gas Company and the Department of Water and Power that would provide a larger rebate or greater assistance to low-income residents.
- b. Report back to the Public Works and Gang Reduction Committee after the implementation of the Citywide Sidewalk Repair Incentive and Cost-Sharing Rebate Program with an analysis of the equity question and to see if resources are being shared by all areas of the City and not just the higher income areas.
