Joseph W. Halper, Commissioner

Attention: Planning and Land Use Management Committee

Please be advised that the Bel-Air Association which represents the community encompassing the property at **10550 W. Bellagio Road** is not opposed to this project.

Our continued review of this application leads us to believe that it is similar to prior applications presented to the Association. Therefore, our position must be stated the same in response to all previous applications.

As such, the Bel-Air Association continues to request that this project move forward. The project continues to be an eyesore to the community. We look forward to the completion of this house and the landscaping that will further beautify and enhance the Bel-Air community.

Sincerely,

Cynthia Arnold
President
The Bel-Air Association
