COMMENTS

The HCID requests authority to amend Contract No. C-124599 and a new Contract being attested by the City Clerk with Keyser Marston Associates (KMA) for professional real estate advisory services in relation to the proposed redevelopment of the Wyvernwood Garden Apartments (Project). The Project's owner, Fifteen Group Land Development LLC (Fifteen Group), is seeking approval of the Boyle Heights Mixed Use Specific Plan which contemplates the redevelopment of the Wyvernwood Garden Apartments. To facilitate the City's review of housing impacts of the proposed project, HCID sought a third-party analysis of relevant sections of the proposal. Fifteen Group agreed to pay for a peer review and feasibility study, and KMA was selected by HCID from a list of eligible contractors for these activities. In addition, HCID sought KMA's services to perform a value capture analysis of the benefits resulting from the proposed redevelopment; this contract is being paid using Municipal Housing Finance Funds (MHFF).

Upon completion of the initial KMA analysis, the City and Fifteen Group considered alternative development approaches including a partial preservation of the existing apartments and a proposed increase in the number of affordable housing units in the project. To effectively evaluate these alternatives, HCID seeks to amend the existing KMA contracts to receive additional analyses of the proposed modifications. The total amount of the amendments is \$22,500.

BACKGROUND

The HCID is in negotiations with Fifteen Group to redevelop the Wyvernwood Garden Apartments. The proposed redevelopment project, which will span 10 years and cost \$2 billion, will increase the number of housing units from approximately 1,200 to more than 4,000. Due to the size and complexity of the project, a third-party analysis of various financing and unit mix scenarios was necessary for HCID to evaluate the potential costs and impacts.

On March 12, 2014, HCID received Mayor and Council authority to execute two contracts with KMA in relation to the Wyvernwood Garden Apartments project (C.F. 14-0197). Contract No. C-124599 was for KMA to conduct a peer review of certain sections of the environmental impact report’s financial model as proposed by Fifteen Group and to perform an independent feasibility analysis. The proposed amendment will increase the contract amount by \$17,500, from \$50,000 to \$67,500, and Fifteen Group has agreed to fund the increase. KMA has completed its work under Contract No. C-124599. However, additional analyses by KMA are required in order for HCID to evaluate other housing and financing scenarios. These include a supplemental feasibility analysis reflecting rents at various Average Median Income (AMI) levels combined with financing structures such as 4% or 9% Low Income Housing Tax Credits (LIHTC) and/or Tax-Exempt Multifamily Bonds.

The second contract, which is in the process of attestation by the City Clerk, was for the provision of a value capture analysis, which evaluated various entitlement scenarios and the community impact of the redevelopment as proposed by Fifteen Group. In August 2014, this Office approved HCID’s request to reallocate \$5,000 in MHFF to increase the contract amount from \$25,000 to \$30,000; however, Mayor and Council approval is required for the increased expenditure authority and contract amendment. The City Attorney is currently drafting the First Amendments to both contracts (See Attachments 1 and 2). The services to be provided in accordance with the \$30,000 contract have been rendered. A \$5,000 increase to the contract amount is needed in order for KMA to perform a more in-depth analysis of the community benefits derived from an increased affordability scenario, and the resulting impacts to project feasibility.

The table below indicates the dollar amounts of the original contracts and the amounts and sources of the proposed increases:

Contract Description	Original Contract Amount	Additional Authority Requested	New Contract Amount	Funding Source
Peer Review and Feasibility Analysis (Contract No. C-124599)	\$50,000	\$17,500	\$67,500	Fifteen Group
Value Capture Analysis (Being attested by City Clerk)	\$25,000	\$5,000	\$30,000	MHFF
Total	\$75,000	\$22,500	\$97,500	

RECOMMENDATIONS

That the Council, subject to the approval of the Mayor:

1. Authorize the HCID General Manager or designee to execute a First Amendment to Contract No.C-124599 with Keyser Marston Associates to increase the contract amount by \$17,500, from \$50,000 to \$67,500, in substantial conformance with the scope of work described in this report, subject to approval of the City Attorney as to form and compliance with the City's contracting requirements;
2. Authorize the HCID General Manager or designee to execute a First Amendment to a contract with Keyser Marston Associates, subsequent to the attestation of their original contract by the City Clerk, to increase the contract amount by \$5,000, from \$25,000 to \$30,000, in substantial conformance with the scope of work described in this report, subject to approval of the City Attorney as to form and compliance with the City's contracting requirements;
3. Authorize the City Controller to:
 - a. Appropriate an amount not to exceed \$17,500 into Account 43K501 Wyvernwood Economic Analysis, upon receipt of same amount from Fifteen Group Land Development LLC;
 - b. Expend funds in an amount not to exceed \$22,500 from Account 43K501 Wyvernwood Economic Analysis, upon proper demand of the General Manager of HCID, or designee;
4. Authorize the HCID General Manager or designee to prepare Controller's instructions and any technical adjustments consistent with Mayor and Council actions, subject to the approval of the City Administrative Officer, and instruct the Controller to implement the instructions.

FISCAL IMPACT STATEMENT

There is no impact to the General Fund. The \$17,500 increase will be paid using funds from Fifteen Group and the \$5,000 reallocation of Municipal Housing Finance Funds has been previously approved by the City Administrative Officer.
