

ENERGY AND ENVIRONMENT (EE) COMMITTEE REPORT relative to the installation of a La Noria water wheel and rubber dam in the Los Angeles River.

Recommendation for Council action:

CONCUR with the Board of Water and Power Commissioner's (BWPC) action of April 4, 2017, Resolution No. 017208, authorizing a Memorandum of Agreement between and among the City of Los Angeles, by and through the Department of Public Works, Bureau of Sanitation and the Los Angeles Department of Water and Power, and Metabolic Studio LLC regarding the operation and maintenance of the Los Angeles River rubber dam and appurtenant structures constructed as part of Metabolic Studio's Bending the River Back Into the City Project.

Fiscal Impact Statement: None submitted by the BWPC. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

TIME LIMIT FILE - JUNE 4, 2017

(LAST DAY FOR COUNCIL ACTION - JUNE 2, 2017)

Summary

At a regular meeting held on May 17, 2017, the EE Committee considered the BWPC report and Resolution No. 017208 relative to a Memorandum of Agreement relative to the installation of a La Noria water wheel and rubber dam in the Los Angeles River. After an opportunity for public comment, the Committee recommended on consent that Council concur with the BWPC action and authorize the proposed Memorandum of Agreement. This matter is now submitted to the Council for consideration.

Respectfully Submitted,

ENERGY AND ENVIRONMENT COMMITTEE
