Council File 14-0354
Board Resolution in Favor

Dear Honorable Members:

We, Todd Rubinstein and Debra George declare that we are the President and the Parks Committee Chair, respectively of the Encino Neighborhood Council (NC) and that on May 28th, a Brown Act noticed public meeting was held by this NC with a quorum of eighteen (18) board members present and that by a vote of 16 yes, 0 no, and 2 abstention the Encino NC adopted the following resolution as a Community Impact Statement:

The Encino Neighborhood Council supports CF 14-0354, which instructs the Department of Recreation and Parks to include energy and water-saving strategies in the construction and maintenance of RAP facilities, including parking lots.

Such strategies must include methods and materials to retain storm water run-off and assist in recharging our groundwater. Effort should also be made to shade parking lots or use other means to minimize heat island effects.
