Item Number:

Summary: The Northridge East Neighborhood Council supports a revision of the Los Angeles Municipal Code (LAMC) to prohibit three behaviors not currently prohibited by the LAMC: disturbing birds and other animals in a manner that does not constitute hunting; disturbing or taking nests and eggs (whether of birds, reptiles or amphibians); and venturing off of marked trails and visitor areas within wildlife areas.

The NENC supports reinstating LAMC Subdivision 63.44(B)(7) and amending LAMC Section 63.44(B)(11) with the above provisions as the most effective way to accomplish the goal of protecting wildlife in the Sepulveda Basin Wildlife Area and other designated wildlife areas. It is critical that law enforcement has the ability to cite persons whose observed behavior is detrimental to wildlife.

The 225-acre Sepulveda Basin Wildlife Reserve is one of the finest refuges of its kind within a major urban area in the country. It serves not only as a restored natural habitat for wildlife but as a living laboratory for all to enjoy.

Board Resolution of Action

Regarding Protection of Wildlife

Council File 14-0356

I, Glenn Bailey, declare that I am the President of the Northridge East Neighborhood Council and that on September 16, 2015, a Brown Act noticed regular meeting was held by the Northridge East Neighborhood Council with a quorum of 8 board members present and that by a vote of 8 yes, 0 no, 0 abstentions, the Northridge East Neighborhood Council adopted the following resolution:

To support Council File 14-0356 (Koretz) which would revise the Los Angeles Municipal Code (LAMC) to prohibit three behaviors not currently prohibited by the LAMC: disturbing birds and other animals in a manner that does not constitute hunting; disturbing or taking nests and eggs (whether of birds, reptiles or amphibians); and venturing off of marked trails and visitor areas within wildlife areas.

The NENC supports reinstating LAMC Subdivision 63.44(B)(7) and amending LAMC Section 63.44(B)(11) with the above provisions as the most effective way to accomplish the goal of protecting wildlife in the Sepulveda Basin Wildlife Area and other designated wildlife areas. It is critical that law enforcement has the ability to cite persons whose observed behavior is detrimental to wildlife.

The 225-acre Sepulveda Basin Wildlife Reserve is one of the finest refuges of its kind within a major urban area in the country. It serves not only as a restored natural habitat for wildlife but as a living laboratory for all to enjoy.
