## REQUEST FOR REPORT BACK

On May 16, 2017, the Planning and Land Use Management (PLUM) Committee had a discussion relative to proposed land use provisions for the cultivation, distribution, processing and sale of marijuana for both medical and non-medical adult use.

During the discussion, the PLUM Committee continued the matter and instructed the Department of City Planning (DCP) and the City Attorney to include in the proposed Ordinance the following land use considerations:

1. Operating conditions and development standards specific to each cannabis use type.
2. Site-specific review to establish neighborhood-level land-use restrictions and conditions.
3. Mechanisms for incorporating land-use compliance conditions into enforcement activities.
4. A land use approval process that includes review by the DCP and PLUM in conjunction with the Cannabis Commission.
5. Establishment of a public hearing process to maintain transparency and community input in regards to neighborhood concerns and land use compatibility.

Please transmit the proposed Ordinance and written response to the City Council, c/o the Office of the City Clerk, City Hall, Room 395. In addition, please reference Council file No. 14-0366-S4. When this matter is scheduled for Committee consideration, your attendance, or that of your designee, is respectfully requested.
