I would like to amend my comment:

I want the distance from each Cannabis business and sensitive sites to go back to 800 ft. This is what was originally proposed and it is EXTREMELY disappointing to see it drop to 750 ft. The city should be concerned for the residents and their quality of life issues when too many cannabis businesses come into their area.

Thank you,

Debbie Gaughan

Dear Council Members,

My community has suffered from a saturation of Cannabis businesses so I while I wish the distance between each business and other sensitive sites was more than 750 feet, I STRONGLY support this increase from the Prop D 600 ft.

Thank you,

Debbie Gaughan
