Los Angeles, CA 90012

Dear Mr. Wesson,

The Neighborhood Council of Westchester-Playa (NCWP) supports the Cannabis Enforcement, Taxation and Regulatory Act (CETRA).

However, the NCWP recognizes that upon passage of CETRA, Proposition D, previously approved by the voters, will be repealed. This is a cause for concern, as Proposition D outlines limits on the number of medical cannabis dispensaries that can legally operate in Los Angeles. Additionally, this referendum addressed critical land-use issues, such as distances from schools, parks, churches, etc.

In order to allay concerns of stakeholders in our region, we would like to request that a public meeting be held on the Westside, in addition to meetings already conducted in other parts of the City. Such a meeting would ensure that all parts of Los Angeles are heard from on this important and time sensitive issue.

Sincerely,

/s/ Cyndi Hensch

President
