**RE: CANNABIS LICENSING IN THE CITY OF LOS ANGELES**

At a special meeting held on August 15, 2017, the Los Angeles City Council's Rules, Elections, and Intergovernmental Relations Committee (Rules Committee) conducted a public hearing relative to the Proposed Requirements for Commercial Cannabis Activity in the City of Los Angeles.

After discussion and after extensive public comment on this matter, it was requested that the Department of City Planning be advised that the Rules Committee supports a permanent Cannabis licensing/permitting system and the allowance of Type 7 manufacturing in the City of Los Angeles.
