Good afternoon Richard, My name is Christian Gray. I spoke with you last week regarding starting a cannabis business and you mentioned writing an email so you can forward it to the city. So here it is

To whom it may concern,

After reading through the proposed requirements for commercial cannabis activity we did not find any information regarding the type of business we intend to pursue. First and foremost we intend to operate a mobile lounge, in the form of a 20-30 person bus where adults twenty-one and over would be able to consume cannabis in the carriage of said bus. We will not be selling cannabis on the bus. Also, We fully intend to have the driver and carriage separated by a partition as well as have another employee in the carriage. We are excited to start this business and are open and more than willing to work with the City of Los Angeles on every and any issues that might arise.

Thank you,

Christian Gray (909) 244-7173  
Richard Wright (909) 565-3223  
Marco Sanchez (909) 675-6311
