December 5, 2017

The Honorable City Council
City of Los Angeles
City Hall, Room 395
Los Angeles, California 90012

Dear Honorable Members:

COMMERCIAL CANNABIS LICENSE CAPACITY (CF 14-0366-S5)

On October 31, 2017, as part of its action concerning proposed regulations for commercial cannabis activity, the City Council instructed the Department of City Planning to provide information analyzing the effects of proposed limitations on the number of commercial cannabis activity licenses granted by the City. The Department previously prepared the requested information and has since updated its analysis based on the Rules, Elections and Intergovernmental Relations ("Rules") Committee's recommendation of December 4, 2017.

Enclosed is an updated table containing the anticipated license capacities for the various license categories by Community Plan Area based on the Rules Committee's recommendation. Should you have any questions, please contact Niall Huffman of my staff at (213) 978-3405.

Sincerely,

VINCENT P. BERTONI, AICP
Director of Planning

Thomas Rothmann
Principal City Planner
