FOOTHILL TRAILS DISTRICT NEIGHBORHOOD COUNCIL

COMMUNITY IMPACT STATEMENT

To: Los Angeles City Clerk
200 No. Main St. Room 360
Los Angeles, CA, 90012

Regarding: Council File #14-0366-S4

October 26, 2017

At the Foothill Trails District Neighborhood Council General Board meeting held on October 26, 2017, the Board voted 9 For, ~~0~~ Against, ~~0~~ No Position, ~~0~~ Neutral Position to **OPPOSE** the proposed ordinance that would allow Cannabis Cultivation in A1, A2 zones.

The Foothill Trails District Neighborhood Council in the North East Valley, has the most properties with this zoning *mostly* in residential neighborhoods. We support the letter to the Planning Commission by Councilman Krekorian (Sept. 14) opposing commercial cannabis cultivation activity in Agricultural zones as well as the letter to the City Council from Planning Director Bertoni (Sept. 27) expressing concern for the important implications of cannabis activities with neighborhoods, and also referring to Councilman Krekorian's letter. Finally, our Council Member, Monica Rodriguez, eloquently addressed our concerns with her letter of Oct. 13, which included her opposition to commercial cannabis cultivation in the A zones.

Sincerely,

Kevin Davis, President FTDNC
