Summary: The Empowerment Congress North Area and Development Council (NANDC) supports the Commercial Cannabis Location Restriction Ordinance, CPC-2-017-2260-CA pursuant to the Board motion of October 5, 2017 based on the recommendations of the NANDC Policy Committee, and motion of the full Board at its duly noticed meeting by a vote of 14 ayes, 0 nays, 1 abstention.

NANDC considered the Ordinance and agreed that it is essential that commercial cannabis activities be strictly regulated. We also are further concerned that there are issues not dealt with including rules concerning consumption, questions regarding sensitive locations, setting qualifications to engage in this activity, and the potential proliferation of such businesses in South Los Angeles with m ayimpact on the quality of life in this community. Additional review and future restrictions are needed in addition to those in the Commercial Cannabis Location Restriction ordinance, which NANDC supports.
