**ARTICLE 1.0        GENERAL PROVISIONS**

**ARTICLE 1.1        RECOGNITION**

Management hereby recognizes the Engineers and Architects Association (EAA), as the exclusive representative of the employees in the Technical Unit, for which EAA was certified as the majority representative by the Employee Relations Board on March 21, 1973. EAA shall be the exclusive representative of employees in the Technical Unit, subject to the right of each employee to represent himself/herself. The term "employee", as used herein, shall refer only to employees in the classifications listed in Appendix A Salaries, as well as such classes as may be added hereafter to the Unit by the Employee Relations Board.

**ARTICLE 1.2        PARTIES TO MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding (hereinafter referred to as "MOU") is entered into on \_\_\_\_\_, by the City Administrative Officer, as the authorized management representative of the City, and the authorized management representatives of any City Departments in which classifications listed in Appendix A may be employed, (hereinafter referred to as "Management"), and authorized representatives of the Engineers and Architects Association (hereinafter referred to as "Association") as the exclusive recognized employee organization for the Technical Rank and File Unit.

**ARTICLE 1.3        IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING**

This MOU constitutes a joint recommendation of Management and the Association. It shall not be binding in whole or in part on the parties listed below unless and until:

- a.     The Association has notified the City Administrative Officer in writing that it has approved this MOU in its entirety, and the City Administrative Officer has notified the Association in writing that the heads of those departments, offices or bureaus represented herein have approved this MOU in its entirety if required by law; and
- b.     The City Council has approved this MOU in its entirety. Where resolutions, ordinances or amendments to applicable codes are required, this MOU shall not be binding, in whole or in part, until all such resolutions, ordinances, or amendments become effective.

**ARTICLE 1.4 FULL UNDERSTANDING**

Management and the Association acknowledge that during the meet and confer process, each had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that any prior or existing understandings or agreements by the parties, whether formal or informal, are hereby superseded or terminated.

The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except where noted herein or by mutual consent of the parties hereto.

It is mutually understood that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with Article 1.3.

The waiver or breach of any term or condition of this MOU by any party hereto, shall not constitute a precedent in the future enforcement of any of its terms and provisions.

**ARTICLE 1.5 TERM**

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of Memorandum of Understanding, are fully met, but in no event shall said MOU become effective prior to the date of adoption by Council. This MOU shall expire and otherwise be fully terminated at 11:59 P.M. on, June 30, 2016.

**ARTICLE 1.6 CALENDAR FOR SUCCESSOR MEMORANDUM OF UNDERSTANDING**

In the event the Association or Management desires a successor MOU, said party shall serve upon the other written notice prior to the expiration of this MOU, but no later than March 1, 2016. Meet and confer sessions shall begin no sooner than 180 days and no later than 30 days prior to the expiration of this MOU.

**ARTICLE 1.7 OBLIGATION TO SUPPORT**

During the period of time the proposed MOU is being considered by the Mayor, City Council, Council Committees, or the Commissions of those departments where the Commission is the Department head, neither the Association or Management, nor their

authorized representatives, will appear before the Mayor, City Council, Council Committees, or said Commissions, nor meet with the Mayor, members of the City Council, or said Commissioners individually to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, City Council, Council Committees or said Commissions, nor meeting with the Mayor or individual members of the City Council or said Commissioners to advocate or urge the adoption of this MOU.

#### **ARTICLE 1.8 SAVINGS CLAUSE**

If any term or provision of this MOU is found to be in conflict with any City, State or Federal law, the parties agree to meet promptly, and as often as necessary, to expeditiously renegotiate this term or provision.

All other terms and provisions of this MOU shall remain in full force and effect during the period of such renegotiations and thereafter until their normal expiration date.

The parties understand that many of the employees covered by this MOU may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 210 et seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive required benefits and any additional benefits set forth herein if compatible with the FLSA.

#### **ARTICLE 1.9 MANAGEMENT RIGHTS**

As the responsibility for the management of the City and direction of its work force is vested exclusively in its City officials and department heads whose powers and duties are specified by law, it is mutually understood that except as specifically set forth herein no provisions in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the effective date of this MOU. The Association recognizes that these rights, powers, and authority include but are not limited to, the right to determine the mission of its constituent departments, offices and boards, set standards of services to be offered to the public, exercise control and discretion over the City's organization and operations, take disciplinary action for proper cause, relieve City employees from duty because of lack of work, lack of funds or other legitimate reasons, determine the methods, means and personnel by which the City's operations are to be conducted, take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees and their representatives from consulting or raising

grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

## **ARTICLE 1.10 CITY- ASSOCIATION RELATIONSHIP**

### **A. Continuity of Service to the Public**

Should such a strike or action by Association members occur, the Association shall immediately instruct its members to return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike or other concerted action. The curtailing of

operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

3. Management will provide the Association with the name, home address, and employee identification number of each permanent employee.
4. The Controller shall provide the organization, at least monthly, a status report showing all changes in the employment status of employees in this

## **ARTICLE 3.0 GRIEVANCES**

### **ARTICLE 3.1 GRIEVANCE PROCEDURE**

#### **STATEMENT OF INTENT**

Management and the Association have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

#### Section I - Definitions

##### A. Grievance

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

1. An impasse in meeting and conferring upon the terms of a proposed MOU.
2. Any matter for which an administrative remedy is provided before the Civil Service Commission.
3. Any issue that the parties agree to refer to another administrative resolution process.

##### B. Employee Comment Sheet (Comment Card) – LAPD

Employee Comment Sheets (Comment Cards) are used to document positive and negative conduct or incidences. Employee Comment Sheets (Comment Cards) are not considered disciplinary in nature. It is mutually agreed that in the Los Angeles Police Department an "Employee Comment Sheet" (Comment Card) is not grievable or arbitrable. An employee may use an Employee's

Report, Form 15.7, to make a written response to the Employee Comment Sheet (Comment Card) within 30 days after it is served.

## Section II - Responsibilities and Rights

- A. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
- B. No grievant shall lose the right to process a grievance because of Management-imposed limitations in scheduling meetings.
- C. The grievant has the responsibility to discuss the grievance informally with the immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with the employee at a mutually satisfactory time. The grievant may be represented by a representative of the grievant's choice in the informal discussion with the immediate supervisor and in all formal review levels and in arbitration. When more than one employee in a department is aggrieved, and the facts and issues of the alleged grievance are the same, and if affected employees agree to waive their right to discuss the grievance with their immediate supervisor, a single immediate supervisor will be designated by department Management to discuss the grievance at the informal level with one affected employee designated to represent the grievance and the employees' representative. Such grievance will be processed as a single grievance through all formal levels of review. All affected employees involved in the action must waive their respective rights to file an individual grievance on the same issue and to discuss the grievance at the informal level with the respective immediate supervisors on a form provided by Management prior to the discussion with the designated supervisor.

In instances where more than one employee in a department is aggrieved, the Association may elect to file the grievance on behalf of the employees. The facts and issues of the alleged grievance must be the same. Such grievance must contain the names of all grievants and the specific facts pertaining to each grievant. At the time of filing the grievance, the Association may request that the

first level of review be at a level higher than Step 1 and shall provide justification for such request. A single supervisor will be designated by department Management to discuss the grievance at each level with one affected employee designated to represent the grievance and the Association. Such grievance will be processed as a single grievance through all formal levels of review. All affected employees involved in the action must waive their respective rights to file an individual grievance on the same issue and to discuss the grievance at the informal level with their respective immediate supervisors on a form provided by Management prior to the discussion with the designated supervisor. Such form shall also include a statement that the employee understands that he/she is party to a grievance filed by the Association.

- D. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, or by mutual agreement, the grievant and Management may waive one or more levels of review from this grievance procedure.
- E. The paid Staff Representative who elects to attend the grievance meeting shall inform the head of the department, office or bureau.

The Association is to be notified of the resolution of all formal grievances.

### Section III - Procedure

#### **GENERAL PROVISIONS**

##### **1. BINDING ELECTION OF PROCEDURE**

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

## 2. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

## 3. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday thru Friday, exclusive of City Holidays, as defined in Article 7.5 of this MOU.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed 60 business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

## 4. MEDIATION

At any step following the Informal Discussion in the grievance process, the Association or Management may request mediation, by letter to the department's personnel officer. Within 10 business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Association and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by Association and Management.

The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish

such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.

Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.

If mediation does not resolve the issue, the grievant has 10 business days to file an appeal to the next level in the procedure.

## 5. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- Suspensions without pay
- Allegations of failure to accommodate medical restrictions
- Allegations of retaliation
- Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Association and Management.

## GRIEVANCE PROCESS

### STEP 1 - ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within 10 business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Association of the grievance. The immediate supervisor shall respond verbally within 10 business days following the meeting with the

employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

## STEP 2

If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within 10 business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.

The manager, or appropriate designee, shall meet with the employee within 10 business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within 10 business days of meeting with the employee. Failure of Management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

## STEP 3

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within 10 business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within 10 business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within 20 business days from the date of meeting with the employee.

### **Los Angeles Police Department only:**

If the grievance is not resolved at Step 2, the employee may serve a written appeal with the Chief of Police. If the Chief of Police, or designee, fails to respond within 10 business days, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within 10 business days following (a) receipt of the

written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice upon the Chief of Police shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within 10 business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the employee.

#### STEP 4 - ARBITRATION

If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within 30 business days of the Step 3 meeting in the Police Department, the Step 3 meeting includes Chief of Police and Police Commission levels of review. The Association may elect to serve a written request for arbitration with the Employee Relations Board. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the Employee Relations Board within 20 business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3 or 3A. Failure of the Association to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within 10 business days following receipt of said list. Failure of the Association to notify the Employee Relations Board of the selected arbitrator within 60 business days of receipt of said list shall constitute a waiver of the grievance.

1. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.

2. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
3. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

### **PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES**

The Association may elect to file a grievance on behalf of two or more employees employed in the same department, office, or bureau. The facts and issues of the grievance must be the same.

#### **PROCEDURE:**

##### STEP 1

The Association shall file the grievance in writing with the General Manager, or designee, of the affected department within 20 business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant and completed waiver forms for each participating grievant employed in that department, office, or bureau. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form which shall be included with the group grievance submittal.

The General Manager, or designee, shall provide written notification to the Employee Relations Division of the City Administrative Officer of the receipt of the grievance. The General Manager, or designee, shall meet with no more than two grievants named in the group grievance and the Association within 20 business days of receipt of the complete and proper group grievance filing to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Association. The General Manager, or designee, shall prepare a written response within 20 business days of the meeting.

**Los Angeles Police Department only:**

**STEP 1A**

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Association may process the grievance to the next level. The Association may serve written notice of the grievance to the Police Commission, or designee, within 10 business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Association to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within 10 business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the Association.

**STEP 2**

If the grievance is not settled at Step 1, or Step 1A in the Police Department, the Association may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

**ARTICLE 3.2      GRIEVANCE REPRESENTATION**

The Association may designate a reasonable number of grievance representatives who must be members of the Unit, and shall provide all departments, offices or bureaus with a written list of employees who have been so designated. Management will semi-annually accept changes to the list presented by the Association. A grievance representative, if so requested, may represent a grievant at all levels of the grievance procedure.

The grievant and the representative may have a reasonable amount of paid time off for the purpose of presenting grievances. However, said representative will receive paid time off only if a member of the Association; is in the same Unit as the grievant; is employed by the same department, office or bureau as the grievant; and is employed within a reasonable distance from the work location of the grievant.

The grievant's supervisor must concur regarding the necessary time off for presenting the grievance at the appropriate level. The grievant shall notify the representative of the meeting arrangements.

**ARTICLE 4.0      ON THE JOB**

**ARTICLE 4.1      SAFETY**

Section I

Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists. The Association will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.

Section II

Management will make every reasonable effort to provide safe working conditions. The Association will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said Supervisor should:

- A. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or,
- B. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.
- C. If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he/she shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.

Section III

If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to affect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety Office and report such hazard.

Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

## **ARTICLE 4.2 PERSONNEL FOLDERS**

An employee shall be entitled to review the contents of any of his/her departmental personnel folder(s) at reasonable intervals, upon request, during hours when his/her personnel office is normally open for business. Such review shall not interfere with the normal business of the department, office or bureau.

No evaluatory or disciplinary document may be placed in an employee's personnel file without his/her review and a copy of the document presented to him/her for his/her records. The employee shall acknowledge that he/she has reviewed and received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.

A written reprimand or "Notice to Correct Deficiencies" will be sealed upon the written request of an affected employee if he/she has not been involved in any subsequent related incidents that resulted in written corrective counseling or other Management action for a period of four years from the date the most recent notice was issued or Management action taken.

Pursuant to the above paragraph, those documents, either removed from the personnel file or sealed, shall be available upon subpoena or other appropriate legal request.

## **ARTICLE 4.3 ACTING ASSIGNMENT PAY**

### Section I - Definition

It is the intent of Management to avoid working an employee on an out-of-class assignment. An out-of-class assignment is defined as any assignment requiring substantial work in a higher level position which is not usually included within the scope of the duties and responsibilities as defined by the class specifications for the class to which the assigned employee's regular position is allocated.

### Section II - Waivers and Exceptions

- A. Nothing in this Article shall be construed as limiting Management's authority to make temporary assignments of qualified personnel during emergencies or

unusual operating conditions. However, such assignments shall not be extended beyond the period of emergency or unusual operating conditions.

- B. Whenever an employee performs duties outside of the normal duties of his/her position for the purpose of training or providing experience, written confirmation of such performance will be placed in the employee's personnel file upon request by the employee. Management shall designate a knowledgeable person to supervise said training or experience.

### Section III - Rate of Pay

An employee temporarily assigned higher level duties under the provisions of Section II.A., will continue to receive the rate of pay for his/her regular classification and paygrade. Upon completion of a qualifying period of 30 working days during any 90 calendar day period on such assignment, such employee shall become eligible for additional compensation. The higher compensation shall begin on the 31<sup>st</sup> working day of the assignment and shall continue thereafter for each day that the employee works in such assignment. Each such temporary assignment shall require completion of a new qualifying period each fiscal year, except when such assignment is either continuous or in the same City department, office or bureau. The employee qualifying for additional compensation under this article shall receive additional compensation consistent with the appropriate LAAC section regarding Acting Assignment Pay. In the event that said assignment exceeds 180 consecutive calendar days, Management will initiate a request to provide the higher level position authority, or initiate action to appoint a qualified employee to said position.

Employees receiving salary at the second premium level prior to adoption of this MOU and receiving additional compensation prior to the adoption of the appropriate LAAC section regarding Acting Assignment Pay, shall continue to receive two premium levels for Acting Assignment Pay until reassigned and/or not working within the prescribed hours and requirements as noted in the above paragraph.

Each employee shall be granted a minimum 15 minute rest period in each four hour period; provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of 15 minutes without the express consent of the designated supervisor.

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

## **ARTICLE 5.0      WORK SCHEDULES**

### **ARTICLE 5.1      ALTERNATIVE WORK SCHEDULES**

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a four/ten (4/10), five/forty (5/40), nine/eighty (9/80), other work schedule. The Association will be entitled to consult with Management on the matter prior to the proposed action. The Association will also be entitled, upon request, to consult with Management if Management intends to deny a change in schedule to an employee. Management may require employees to change their work schedules (working hours or change days off, except the split day) within the same FLSA workweek, providing that the change is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory in accordance with Article 3.1. No employee shall be required to work a 4/10 schedule against his or her will.

It is further agreed that Management shall retain the right to refuse an employee's request to work a 4/10, 9/80, or other work schedule, and to require the reversion to a 5/40 work schedule, providing that the exercise of such right is not arbitrary, capricious, or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory, in accordance with Article 3.1.

Employees on a 9/80 modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

Employees on a 4/10 work schedule shall work 10 hours per day for a four day work week (or 12 hours per day for a three day work week in the Information Technology Agency only) exclusive of lunch periods. Employees shall be entitled to rest periods in accordance with the provisions of Article 4.4. Employees shall be compensated for 40 hours per week at the regular hourly rate for their class and paygrade.

EAA agrees that it is a management right to require employees who work on a 4/10, 9/80, 3/12 work schedule to work overtime on Saturday rather than on their day off which falls within the week. Employees who work on a schedule other than 5/40 shall have their sick leave, vacation and holiday credits accrued at the same hourly rate as an employee on the 5/40 schedule.

The City reserves the right to develop 26-week/1,040 hours or 52-week/2,080 hours work periods under FLSA Section 7(b) [29 USC §207(b) (1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties and certification of the Association as bona fide by the National Labor Relations Board (NLRB).

#### **ARTICLE 5.2 DEPLOYMENT PERIOD (POLICE DEPARTMENT)**

Notwithstanding the provisions of LAAC Sections 4.108 (Regular Hours of Work) and 4.113 (Overtime) to the contrary, employees in this Unit who are employed in the Police Department shall have a work schedule consisting of 20 days of work in each 28 day deployment period. Such day may be eight, seven and one-half, or seven hours as determined by the Chief of Police.

Said 20 days of work or the equivalent number of days for an alternate work schedule may be scheduled at such time during two biweekly pay periods as the Chief of Police may direct.

This Article shall not be construed to prohibit the implementation of flexible work schedules.

#### **ARTICLE 5.3 72 – HOUR WORK SCHEDULE**

Notwithstanding LAAC Section 4.108(a), whenever a full-time employee voluntarily reduces the number of his/her biweekly regular work hours from 80 to a number not less than 72 at the request of, or with the permission of, his/her appointing authority, such employee shall be credited with all rights and benefits as though he/she worked 80 hours in the payroll period. The employee shall not be credited for overtime worked until more than 40 hours have been worked in the workweek. Compensation received under this Article shall be considered full compensation for all employees participating in the voluntary work hour reduction.

**ARTICLE 6.0      COMPENSATION**

**ARTICLE 6.1      SALARIES**

Prior to April 6, 2014, salary ranges for employees consist of five steps, each separated by approximately five and one-half percent (5.5%), as illustrated in range table B of this MOU. Effective April 6, 2014, salary ranges shall consist of 15 steps, each separated by approximately two and three-quarter percent (2.75%) as illustrated in range table C of this MOU.

The following salary step movements will apply during the term of this MOU.

**Employees who are not on the top step of a Salary Range as of April 5, 2014:**

- One step advancement on April 6, 2014 (beginning of pay period 21 in FY2013-14)
- One step advancement on June 29, 2014 (beginning of pay period 1 in FY2014-15)

- One step advancement on June 28, 2015 (beginning of pay period 1 in FY2015-16)

**Classifications for which compensation is set at a fixed amount (Flat Rated), shall receive equivalent salary adjustments on the same schedule specified above for employees on the top step of a salary range as of June 29, 2014, unless negotiated otherwise or in accordance with provisions of the LAAC.**

***Anniversary dates for all bargaining unit members shall be frozen on April 5, 2014, and shall be unfrozen on June 29, 2015.***

**ARTICLE 6.2      OVERTIME**

Section I - Distribution of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from his or her

supervisor. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline. Working and not recording the time is similarly prohibited.

#### Section II - Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least 48 hours notice.

#### Section III – Method and Rate of Compensation-FLSA Non-Exempt Employees

Compensation for overtime worked by employees in classifications listed in Appendix A herein, shall be for all hours worked in excess of 40 hours in a workweek. Management shall have the discretion to determine whether overtime compensation shall be in cash or time-off. Overtime compensation shall be in time off at the rate of one and one-half (1½) hours for each hour of overtime worked, or in cash at the rate of one and one-half (1½) times the employee's regular rate of pay.

#### Section IV - Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). Occasionally, employees may accumulate CTO in excess of 80 hours for a temporary period of time, not to exceed an additional fiscal year. If an employee does not schedule and take CTO over 80 hours prior to the end of the fiscal year, Management may require employees to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one additional fiscal year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO for overtime worked must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period would unduly disrupt the operations of the City department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall compensated time off in excess of 240 hours be accumulated.

### **ARTICLE 6.3        SHIFT DIFFERENTIAL**

Notwithstanding the provisions of Note N of Schedule A of LAAC Section 4.61, any employee, when required to work fifty percent (50%) or more of his/her time during his/her regular shift on any one day between the hours of 5:00 P.M. and 8:00 A.M., shall receive for each such day worked, salary at the second premium level rate above the appropriate step rate of the salary range prescribed for his/her classification. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with LAAC Sections 4.72, 4.74, and 4.75.

### **ARTICLE 6.4        BILINGUAL BONUS**

Whenever an appointing authority determines that it is necessary or desirable that a position be filled by a person able to converse fluently in a language other than English, or write and interpret a language other than English, the appointing authority shall transmit to the Controller a written statement approving payment of a bilingual premium, as provided by this Article to the person occupying such a position and possessing such bilingual skills.

After authorizing payment of a bilingual premium, the appointing authority shall certify to the Controller the name of an employee eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standards of fluency and proficiency for said language.

Persons certified as being qualified by the Personnel Department shall receive a bilingual bonus of \$25.00 per biweekly pay period for duties requiring conversing fluently in a language other than English, or \$50.00 per biweekly pay period for duties requiring conversing fluently and interpreting a language other than English.

For newly hired employees or employees newly appointed to a bilingual position, the premium shall be paid at the beginning of the first full biweekly pay period once the employee has been certified by the Personnel Department.

## **ARTICLE 6.5      SIGN LANGUAGE PREMIUM**

Any qualified employee covered by the provisions of the MOU who is requested by the hearing impaired assistance center to utilize sign language shall receive compensation equal to two and three-quarter percent (2.75%) of their salary or wages for each business day the skill is utilized. Such practices of additional compensation shall be in accordance with LAAC Section 4.84.1.

## **ARTICLE 6.6      COURT APPEARANCES**

### Section I

**The following court provisions will apply to all employees in the Unit, except those in the Police Department.**

When an employee is required to appear in the Superior or Municipal Court in and for the County of Los Angeles outside of his/her normal duty hours, but on a matter arising within the scope of his/her employment, said employee shall be entitled to receive a minimum of one hour at one and one-half (1½) times his/her regular rate of pay. Time spent in excess of the one hour minimum guarantee shall also be at the rate of one and one-half (1½) times the employee's regular rate of pay, payable in six minute increments. No compensation shall be paid for the first 45 minutes of the Court's noon recess, provided, however, that no such compensation shall be allowed unless such employee is in actual attendance in court. Such compensation for court appearances may be in either time off or cash. Call back provisions are not applicable to court appearances.

### Section II

The following court provisions shall apply to employees in the Police Department and Transportation Investigators, Code 4271, and Senior Transportation Investigators, Code 4273, in the Department of Transportation. These provisions apply only for the payment of overtime for court appearances outside of the normal duty hours of employees. Call back provisions are not applicable to court appearances.

#### **A.      Basic Compensation**

##### Police Department Employees

An employee, at the employee's option, may report to court when subpoenaed or remain on call. If the employee elects to appear in court, the division supervisor

must be notified, at the latest, one administrative day prior to the scheduled court appearance. If the employee wishes to remain on call, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. To appear in court more than an hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where the supervisor knows the employee can be reached.

Transportation Department Employees

Department Management shall determine if an employee reports to court or remains on an on-call status. If the employee is on an on-call status, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. To appear in court more than one hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where the supervisor knows the employee can be reached.

- 1. An off-duty employee shall receive a minimum of two hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
- 2. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the two hour minimum provided for in paragraph A.1. above, with the following noontime recess exceptions:

<u>Length of Recess</u>	<u>Amount of Compensation</u>
45 minutes or less	None
46 minutes or more	All time over 46 minutes (in 6 minute increments).

NOTE: An employee shall not receive court on-call overtime compensation and hour-for-hour overtime compensation for the same time period.

B. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive overtime compensation as in

paragraph A.1. above, for each case for a total of four hours. In addition, he/she shall receive hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of two hours.

C. Exceptions to the Two Hour Minimum

Management will attempt to adjust an employee's shift to accommodate court appearances or on-call status commencing two hours or less before or after the employee's regularly assigned shift begins or ends. If an employee's shift cannot be adjusted, the employee will be compensated as follows:

1. Court appearances or on-call status commencing two hours or less before the employee's regularly assigned shift begins. Compensation will be for the actual time between the commencement of the court appearance or on-call and the beginning of the employee's assigned shift with the same noon recess provisions as outlined in paragraph A.2. above.
2. Court appearances commencing two hours or less after the employee's regularly assigned shift ends. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions as outlined in paragraph A.2. above.
3. Court appearances or on-call that begin during an employee's regularly assigned shift. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the appearance or on-call status with the same noon recess provisions as outlined in paragraph A.2. above.

**ARTICLE 6.7      CIVIC DUTY**

Whenever an employee is served with a subpoena by a court of competent jurisdiction which compels his/her presence as a witness during his/her normal working period, unless he/she is a party to the litigation or an expert witness, such employee shall be granted time off with pay in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

A court of competent jurisdiction is defined as a court within the County in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

#### **ARTICLE 6.8        JURY SERVICE**

Any employee who is duly summoned to attend any court for the purpose of performing jury service or has been nominated and selected to serve on a Grand Jury, shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive his/her regular salary. However, any jury attendance fees received by the employee, except for jury service fees received for service on a regular day off or holiday shall be paid to the City. A prorated portion of jury service fees received by a half-time employee shall be paid to the City when those fees are received for jury service performed on days for which the employee is scheduled to work a portion of a day. The absence of any employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay.

#### **ARTICLE 6.9        MILITARY LEAVE**

Every employee who qualifies for and is granted a military leave, whether temporary or otherwise, pursuant to the provisions of the Military and Veterans Code of the State of California, shall, before he/she is paid his/her salary or compensation during such leave, or any part thereof, as provided in said Code, furnish to his/her appointing authority two certified copies of his/her orders, one copy to be filed in the department in which he/she is employed and the other with the Controller. In lieu of the orders, the employee shall furnish to the appointing authority, upon forms provided by the Controller, certified evidence of his/her entry into active service in the armed forces of the United States and the date thereof. Any certification required by this Article may be made by any commissioned officer of such armed forces. The Controller shall have power at any time to require such additional satisfactory evidence of the entry of such employee into active service in such armed forces and of the actual performance by the employee of ordered military duty during all or any part of such leave.

In determining whether an employee has been in the service of the City for a period of not less than one year immediately prior to the date on which the absence begins, continuous service shall be required.

Unit members called into active military service (other than temporary military leave) shall accrue vacation time, and be entitled to the cash-out of accrued, but unused vacation time, in accordance with Article 7.6, Vacation, Section II of this MOU.

## **ARTICLE 6.10 MILEAGE**

Each employee that is authorized to use his/her own vehicle, pursuant to LAAC Division 4, Chapter 5, Article 2, in the performance of his/her duties shall be reimbursed for transportation expenses at the Internal Revenue Service rate established on January 1<sup>st</sup> of each calendar year or at subsequent times during the calendar year for all miles traveled in any biweekly period, in addition to any and all salaries and other compensation otherwise provided for by law.

Notwithstanding LAAC Section 4.231, employees authorized to use their personal vehicles pursuant to LAAC Section 4.229 who are required by Management to bring the vehicle to work each day shall receive a minimum payment of 10 miles per day, regardless of whether the vehicle is driven for City business. If an employee is not authorized or required to bring a vehicle to work for use in the course of their work assignment, they will no longer be provided a minimum payment of 10 miles per day.

During the term of this MOU, the cents per mile reimbursement shall be adjusted to an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service (IRS). The City Administrative Officer shall certify to the Controller appropriate changes, if required, to become effective the beginning of the pay period in which the IRS change is effective.

## **ARTICLE 6.11 CALL BACK PAY**

### Section I

Whenever an employee is ordered by the administrative head of the department, office or bureau, or a designee, to return to duty following the termination of the work shift and departure from the work location, the employee shall receive minimum compensation equivalent to four hours at the employee's appropriate overtime rate. Call Back time contiguous to and continuing into a normal work shift will not be treated as Call Back for purposes of this Article, but will instead be compensated as hour for hour overtime.

### Section II

Whenever an employee in the Police Department is ordered by a designated representative of the Chief of Police to return to duty following the termination of the employee's normal work shift and departure from the work location, the employee shall receive the sum of ten dollars (\$10.00) if the call is canceled prior to the time the employee reports to the telephonically/electronically assigned work location. The

personally, such employees shall receive a minimum of one hour of compensation, subject to the following limitations:

- a. Only the first disturbance call made in any one calendar day shall qualify for the minimum one hour of compensation described above. The time actually spent on such disturbance call will be considered hours worked for that workweek. Thereafter, compensation for all other qualifying disturbance calls totaling an aggregate of 10 minutes or more in that same calendar day shall be for actual time worked. Disturbance call compensation shall be used to offset any overtime owed.
  - b. Any employee receiving On Call/Standby Compensation for the same day shall not be eligible to receive compensation under this Article for that day;
  - c. The Department head or designee may determine the method of compensation;
  - d. An employee contacted while off-duty concerning subsequent work scheduling shall not be eligible to receive compensation under this Article.
- II. Any employee receiving On-Call/Standby compensation for the same day shall not be eligible to receive compensation under this Article for that day.

#### **ARTICLE 6.14      TEMPORARY SUPERVISORY PAY**

##### Section I

- A. Whenever Management assigns an employee to perform the full duties of a higher level supervisory position in the same class series in situations where the incumbent of the higher level position is temporarily absent, such employee shall become eligible for additional compensation upon completion of a qualifying period of 15 consecutive working days in such assignment at his/her regular rate of compensation. Paid leave time taken during a qualifying period shall extend the 15 day qualifying period by the length of the absence. All other absences shall constitute a disqualifying break in the 15 day qualifying period requirement, necessitating the initiation and completion of a new qualifying period. Pay shall begin on the 16<sup>th</sup> day of the assignment.

Each temporary supervisory assignment shall require completion of a new qualifying period each fiscal year, except when such assignment is continuous and in the same work location.

- B. Whenever Management assigns an employee on a temporary basis to perform the full duties of a vacant higher level supervisory position in the same class series, such employee shall become eligible for additional compensation on the first day of such assignment.

Section II

Effective at the beginning of the first full pay period following the City Council adoption of the 2013-16 MOU, an employee qualifying for additional compensation as stated above shall be in accordance with provisions of the LAAC as adopted by the City Council. Employees currently authorized to receive compensation at the second premium level above the appropriate biweekly rate as state above, shall continue to do so until they no longer qualify for temporary supervisory pay or are no longer assigned on a temporary basis to perform as indicated in Section I.A. and I.B. above.

Section III

Management retains the right to determine whether a position is vacant or to be filled due to a temporary absence.

**ARTICLE 6.15 CIVILIAN SUPERVISORY DIFFERENTIAL**

Effective at the beginning of the first full pay period following adoption by the City Council of the 2013-16 MOU, in the Police and Fire Departments, members of this Unit shall be eligible for a supervisory differential, as a "bona fide supervisory employee," in accordance with LAAC Section 4.62.2, when regularly assigned as a supervisor with full administrative and technical authority to assign, review and approve the work of civilian subordinates. The salaries of any sworn subordinates shall not be used in determining eligibility for the supervision differential described in LAAC Section 4.62.2.

Employees currently authorized to receive compensation at the second premium level above the appropriate biweekly rate, shall continue to do so until they no longer qualify for a supervisory differential or are no longer assigned to supervise subordinates which would require a supervisory differential in accordance with the requirements as noted in the above paragraph.

**ARTICLE 6.16 SALARY STEP ADVANCEMENT**

## **ARTICLE 7.0        BENEFITS**

### **ARTICLE 7.1        CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM**

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (hereinafter Flex Program) and any modifications thereto as specified in this MOU or as recommended by the Joint Labor-Management Benefits Committee and approved by the City Council.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the Joint Labor-Management Benefits Committee, this MOU will take precedence. Any disputes related to the application of the provision in Article 7.1 shall be referred to a Dispute Resolution Committee (DRC). Disputes presented to the DRC are limited to issues related to the new co-pays, employee contribution rates and elimination of Flex credits. The DRC will be composed of three parties; a representative of EAA, a representative of the City Administrative Office and a representative of the Personnel Department. The DRC decision is binding and any issue presented to, and ruled on by the DRC is not grievable or arbitrable. Disputes shall be submitted to a committee for resolution comprised of a representative of the Personnel Department, City Administrative Officer, and EAA.

#### **Section I - Health Plans**

The health plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee as modified by this MOU and administered by the Personnel Department in accordance with LAAC Section 4.303.

Management has agreed to contribute a monthly subsidy not to exceed the monthly Kaiser HMO family coverage rate, per full-time employee, toward the cost of a City-sponsored health plan for employees who are members of LACERS.

For each half-time employee, as defined by LAAC Section 4.110 who becomes a member of LACERS after July 1, 1990, and for each employee who transfers from full-time to half-time status after July 1, 1990, Management has agreed to contribute a monthly subsidy not to exceed the monthly Kaiser HMO employee only coverage rate per half-time employee.

Management will apply this sum first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

Full time employees who are members of this Unit shall contribute via payroll deduction a biweekly amount toward their health plan premium cost. The difference between the City's health plan premium cost and the employee contribution constitutes the City's contribution (health plan subsidy). The City's maximum monthly subsidy shall not exceed the Kaiser HMO family coverage rate.

Half-time employees who, prior to July 1, 1990, were receiving the same subsidy as full-time employees shall continue to receive the full-time employee subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article as long as they do not have a break in service.

Full-time employees who work a temporary reduced schedule under the provisions of Article 7.8, Family and Medical Leave, shall continue to receive the full-time employee subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Health Plans. The following provisions will apply to unit members enrolled in a City-sponsored health care plan and eligible for the health care subsidy.

Effective January 1, 2015, unit members shall pay ten percent (10%) of the City's monthly health care premium on a biweekly basis when the amount of their monthly health care premium for the health care plan in which they are enrolled is less than or equal to the amount of the City's maximum monthly health care subsidy.

In the event that unit members are enrolled in a health care plan that has a monthly premium that exceeds the City's maximum monthly subsidy, then, effective January 1, 2015, such members shall pay on a biweekly basis the total of the difference between the cost of their monthly health care premium and the City's maximum monthly health care subsidy, plus ten percent (10%) of the City's maximum monthly health care subsidy.

## **Section II - Dental Plans**

The dental plans offered shall be those recommended by the City's Joint Labor-Management Committee, approved by the City Council and administered by the Personnel Department in accordance with LAAC 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of employee only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by LAAC Section 4.110, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 1, 1990, Management will expend an amount equivalent to one-half of the cost of the employee only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 1, 1990, were receiving the full employee only subsidy shall continue to receive the full employee only subsidy.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Dental Plans.

#### **Association-Sponsored Dental Insurance**

Employees may elect to be covered by one of the Association-sponsored dental insurance programs instead of by the City-sponsored dental insurance plan. The amount to be remitted for each employee covered by an Association sponsored plan shall not exceed \$-nine dollars and eighty-four cents (\$49.84) monthly. Enrollment in the Association plans shall be available to all employees regardless of Association membership or affiliation. Employees may not receive a subsidy for more than one of the City-sponsored or Association-sponsored dental plans.

The parties mutually understand that the City will expend the above noted funds only for those employees who enroll in these plans and remain on active payroll status with the City, and that the City retains all rights to any unused funds which may be allocated for the purpose of implementing this Article.

The parties mutually understand that the City will provide to the separate EAA dental carrier(s) an aggregate amount equal to the sum of the subsidy paid for those employees enrolled in the Association-sponsored programs who are on the payroll during each payroll period for which the subsidy is paid, together with a list of those employees for whom the subsidy was paid during said payroll period. Remittance of this aggregate amount will be made within 30 working days after the conclusion of the payroll period in which the subsidy was paid.

The parties further understand that for those employees enrolled in an Association-sponsored program, who authorized the City Controller to make a payroll deduction to cover any additional costs of said dental insurance plan, the City will remit to the carrier a separate amount and appropriate deduction list.

The parties mutually agree that the City is not responsible for, nor expected to provide, any additional accounting, administrative, bookkeeping, clerical or other services except as provided for in the above paragraphs, and that the Association assumes all responsibility for any services which may arise out of the administration of the Association-sponsored programs.

The Association shall indemnify, defend and hold the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or result from any action taken by the City for purposes of complying with this Article, or by failure of the Association or its dental insurance carrier to provide the coverage and services agreed to between the Association and the carrier.

Management will retain all duties and responsibilities it has had for the administration of the City's Dental Plan.

### **Section III - Definition of Dependents**

The definition of a dependent for health and dental plan coverage shall include the domestic partner of an employee and the dependents of such domestic partner.

By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the dependents of such domestic partner.

### **Section IV - General Provisions**

An open enrollment period of at least 30 days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. However, employees may enroll in Association-sponsored programs in accordance with the procedures of those programs.

Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

### **Section V - Subsidy during Family or Medical Leave**

For an employee who is on Family or Medical Leave under the provisions of Article 7.8 herein, Management shall continue the City's medical and dental plan subsidies for employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 7.8 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine pay periods, except while an employee is on a Pregnancy Disability Leave absence (up to four months), Management shall continue the City's subsidy for her pregnancy health coverage (medical plan subsidy) in compliance with the provisions of SB 299 and AB 592 enacted in 2011.

## **ARTICLE 7.2 RETIREMENT BENEFITS**

### **A. Benefits – Tier 1**

Retirement benefits including the Beta Retirement Formula and the subsidy will be continued during the term of this MOU. For employees hired prior to January 1, 1983, retirement benefits including the Beta Retirement Formula and subsidies of: (1) one-half the employees' retirement contribution rates, and (2) an additional two percent (2%) of compensation earnable after the one-half subsidy, shall be continued during the term of this MOU. For Tier 1 employees hired January 1, 1983, and thereafter, the Beta Retirement Formula and a flat-rated employee retirement contribution of six percent (6%) shall be continued.

Effective July 1, 2011, for all Tier 1 employees regardless of their date of hire, the Beta Retirement Formula shall be continued and a flat-rated employee retirement contribution of seven percent (7%) shall be implemented. The employee contribution rate shall return to six percent (6%) in accordance with the Early Retirement Incentive Program dated October 26, 2009 (C.F. #09-2624).

Effective July 1, 2012, all Unit members who are Tier 1 members of LACERS shall contribute an additional four percent (4%) of their pre-tax compensation to defray a portion of the City's cost of providing retiree health insurance. The additional four percent (4%) thereby results in a total flat rate employee retirement contribution rate of eleven percent (11%) in accordance with the

above provisions. This additional four percent (4%) contribution shall continue in effect and be subject to modification pursuant to future MOU negotiations in accordance with applicable Charter provisions.

### Benefits – Tier 2

Employees who are Tier 2 members of LACERS shall have retirement contribution rates and retirement benefits determined as set forth in the LAAC sections specifically applicable to Tier 2 members, including the provisions of Sections 4.1005-4.1079 and 4.1120-4.1124 applicable to Tier 2 members, and as amended.

#### B. Procedure for Benefits Modifications

Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in the LACERS are affected shall be recommended to the City Council by the City Administrative Officer as affecting the membership of all employees in LACERS. Such modifications need not be included in an MOU in order to be considered appropriately negotiated.

Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the City Administrative Officer to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

- C. Effective July 1, 2011, there is a retiree health benefit for employees provided under LAAC Division 4, Chapter 11, Article 3. Commencing on the effective date of this LAAC Amendment, the parties agree that the retiree health benefit available under this program is a vested benefit for Tier 1 bargaining unit members. Specifically, the parties agree that the current Maximum Medical Plan Premium Subsidy as authorized by the City Council, shall represent the City's

maximum retiree non-Medicare Part A and Part B premium and is vested. Additionally, the maximum amount of the annual increase authorized in LAAC Section 4.1111(c) (previously LAAC Section 4.1103.4) shall be granted and is vested. For purposes of this Article, take-home pay shall be defined as an employee's biweekly gross salary rate less the mandatory deduction for Federal and State income tax withholding and employee retirement contributions. The employee will be able to make adjustments in his/her voluntary deductions while on temporary disability leave but will not be able to change the amount normally deducted for State and Federal income taxes, unless the employee has changed those deductions to those which he/she is legally entitled to take within 10 days of the commencement of any disability leave, or within 10 days of any change in dependents.

### Section II

Examples of such an injury would include a gunshot wound, an injury from a blow or fall, an automobile accident, or an accident involving equipment failure. Examples of injuries which would not meet this definition would include communicable illnesses (except for illnesses contracted as the result of a sudden severe traumatic injury) or job stress. The Occupational Health and Safety Division of the Personnel Department shall certify a "sudden severe traumatic injury" to the Controller.

### Section III

When an employee is placed off-duty as the result of a reoccurrence of a previously certified injury on duty, the employee's disability pay will be based on the employee's salary as of the date of the reoccurrence.

### Section IV

Notwithstanding LAAC Section 4.246, employees who are certified off duty for temporary total disability shall continue to accrue vacation credit during the period of disability.

Employees must complete a period of six consecutive months of City service and must have been compensated for at least 500 hours before qualifying to use the CPTO. This benefit may be used in no less than one-hour increments for the following:

- 1) Sick leave
- 2) Personal business, subject to approval of the supervisor
- 3) Holidays assigned off

When a holiday falls on an employee's assigned schedule and the employee is not required to work on that holiday, an employee may request to use CPTO. If the qualifying employee chooses not to use CPTO for the holiday, the employee may be allowed, subject to the approval of the supervisor, to adjust his/her work schedule and make up the time in full not later than the next succeeding payroll period. CPTO may be accumulated for up to a maximum of 48 hours. Any time accumulated in excess of such amount shall be deemed waived and lost. There shall be no payment of any form for unused personal time upon separation from City service for any reason.

Employees who hold more than one intermittent position concurrently shall be eligible to accrue CPTO in only one position. Employees should designate a primary employing department in writing with their primary and secondary employing departments and with the Controller's Office.
