SUMMARY

In a report to Council dated May 20, 2014 (attached to the Council file), the CAO states that LAPD requests authority to accept a supplemental grant award in the amount of \$73,729 for the 2012-13 Anti-Human Trafficking Task Force Program and to extend the total Program and grant period through June 30, 2014. This grant award will supplement program services currently being provided by the City.

The CAO reports that the Anti-Human Trafficking Task Force Program is a statewide program to improve the law enforcement response to all elements of human trafficking and the coordination between responsible agencies to ensure care to victims of human trafficking. The Task Force is comprised of nine local multi-disciplinary task forces throughout the state. LAPD leads the Los Angeles Metropolitan Task Force on Human Trafficking, which also includes the United States Attorney's Office, various other federal and state agencies, and a number of victim and social service organizations. The goals of the Task Force are to identify victims through proactive law enforcement tactics and cooperation; to increase the successful prosecution of traffickers through multi-jurisdictional law enforcement cooperation; to develop practical service protocols; to develop and provide training and support for law enforcement to proactively identify, rescue and place victims with service providers; and, to ensure victim safety and access to needed services.

The CAO goes on to report that the additional grant funds will be used for LAPD sworn and civilian overtime, program supplies and equipment, and for the Department's contract with CAST. CAST is dedicated to providing human trafficking victims comprehensive long-term services including social and legal services and outreach and training. April 8, 2014, the Board of Police Commissioners approved LAPD's reports. The CAO concurs with this action.

At its meeting held May 23, 2014, the Public Safety Committee recommended that Council authorize LAPD to accept this supplemental grant award and to approve the related actions above, as recommended by the Board of Police Commissioners and the CAO.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
