Subject: SUPPORT COUNCIL FILE 14-0518 - Wildlife Habitat Linkage Zones

Message: Dear Chairman Huizar and Honorable Members of the PLUM Committee, I am a Citizen for Los Angeles Wildlife and I support a Wildlife Habitat Linkage Zone ordinance. The Santa Monica Mountains is a special mountain range eco-system that runs through the heart of Los Angeles. LA City's eastern portion of urbanized canyons and hillsides between the I-405 and I-5 freeways is a critical Wildlife habitat Linkage Zone that should be established in our municipal code in order to protect the migratory patterns and habitats of our native animals. As part of the ordinance, please make sure every new building project undergoes a checklist and review for wildlife habitat connectivity and permeability. It needs to be passed now.
