To: Maria Espinoza <maria.espinoza@lacity.org>, The Honorable Nury Martinez
<councilmember.martinez@lacity.org>

These records need to be digitized. Once destroyed, inquiries on Public Health and Safety issues cannot be resolved. The records should be recorded in the Property Files and available to the public. Please consider infrastructure inquiries such as LADWP.

Retention schedules and consequent destruction have no meaning if the information is still needed-even from 1938 to 1963.
