Dear Chairman O'Farrell and honorable committee members,

Each time I receive an email about possible construction to Griffith Park, I die a little. My heart sinks and my body gets enraged with anger. I simply do NOT understand why this City cannot leave the parks alone. We don't need anymore "destruction" and building in what is our/my place of refuge.

My family and friends live for our time spent in the parks. Do YOU people even use them? How would YOU feel is someone took your special place away. Seriously O'Farrell, I voted for you, please do NOT make me realize I made a HUGE mistake.

Also, there are **no** rangers, unleashed dogs, trash and defecation EVERYWHERE, what the heck are you doing with our taxes???

So saddened by all of the nonsense!

Barbara
