Dear Chairman O'Farrell and Committee members:

Public Comment: Council File #14-0588-Crystal Springs ballfields

Position: FOR the appeal

I would like to see the Crystal Springs area preserved as open space rather than have any space taken up by ballfields. I have been to this area many times. On weekends, it is very, very heavily used for recreation, picnics, and family gatherings. If anything, the usage indicates a need for more picnic/open space areas for the citizens of LA. I believe many more people would benefit by keeping this as open space rather than as ballfields.

Sincerely,

Catherine M. Ronan
