Attend a city function I wouldn't have normally been able to attend

I did also book my rental with a company that has collected Transient Occupancy Tax and has remitted it to you. I for I am a responsible guest and that I was well informed of my property rules upon my arrival. I was met at the door, I was asked to sign a rental agreement with all property rules, and I was notified of my rentals manager contact information (which was located in the building I am renting).
