Administrative Record Correction

On November 26, 2013, in accordance with provisions of Section 17.03 of the Los Angeles Municipal Code (LAMC), the Advisory Agency approved Mitigated Negative Declaration ENV-2012-1111-MND-REC1 as the environmental clearance and approved Vesting Tentative Tract No. 71898 on a project site located at 11965-11979¼ Montana Avenue for a maximum 49-unit new condominium development, as shown on map stamp-dated April 27, 2012 in the Brentwood-Pacific Palisades Community Plan. A typographical error was discovered in the CEQA Findings Section in relation to the date the Environmental Staff Advisory Committee approved this Mitigated Negative Declaration. The correct date of the approval shown in the Published MND was **November 18, 2013**, which also marks the end of the comment period. This is not a correction to the administrative procedures by a correction to a typographical error. Since the subject case is under appeal, this correction is hereby place in the Administrative Record and in Council File 14-0817.
