Hello

Regarding the letter from Barbara Broide, which I just received a copy of, please note that she does not have my support and from what I am hearing today nor the support of many homeowners in the Westwood South/Rancho Park Area.

I have lived in the area since 2010 and never even heard of this person until today.

The City Council and Planning Department owe it to the homeowners to due a more extensive study on who favors which zoning plan.

Thank you

Attached is the letter Barbara Broide sent to The City Council and to Paul Koretz. This letter is a lie. She doesn't have the support of 3,800 homeowners pushing for the 45% FAR. She is a dishonest person.
