I am writing today to express my support for the proposed R1VNew house construction size ordinance.

Thank you for your consideration.

Please understand that my wife and I have lived in Cheviot Hills since 1979. We favor the BMO policy for our neighborhood.

I do not think the mansionization of Cheviot Hills is in any way an improvement. In fact it has a negative impact on our streets.

I hope you will see it that way.

Thanks,
