COMMUNITY IMPACT STATEMENT
Council File #14-0713

We, Gary Plotkin, and Robert Ringler, declare that we are the President and Vice President/Signer, respectively of the Bel Air Beverly Crest Neighborhood Council ("BABCNC") and that on June 25, 2014, a Brown Act noticed public board meeting was held by BABCNC with a quorum of 17 board members present and that by a vote of 17 yeas, 0 nays, and 0 abstentions, BABCNC adopted the following resolution:

Bel Air Beverly Crest Neighborhood Council supports CF 14-0713 which instructs city departments to review our existing "no smoking" sign inventory, establish a \$1000 fine for smoking violations and include the penalty amount on updated city signage.

Therefore be it resolved that BABCNC supports the above resolution because:

Smoking in a Very High Fire Severity Hazard Zone violates the law and a fire started by a smoker poses a significant danger to the BABCNC community;

The greatest source of fire risk in southern California is human-caused fires;

Tens of thousands of commuters and residents drive through the BABCNC territory each day;

Our existing city signage and fines are currently not enough of a deterrent.
