Council File 14-0748

Honorable City Council
c/o Office of the City Clerk
Los Angeles City Hall
200 North Spring Street, Room 395
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 14-0748 regarding the issue of drafting an ordinance that requires all public street construction and reconstruction projects, irrespective of funding source, to incorporate “Stormwater Management Guidelines for Public Street Construction and Reconstruction”.

COMMUNITY IMPACT STATEMENT

The Glassell Park Neighborhood Council SUPPORTS this proposed issue because here, in Glassell Park, we have many hillside roads—both improved and unimproved—that regularly suffer from poor management of stormwater runoff. In addition, there is a large amount of new construction taking place in our community and this opportunity to create a better system for dealing with stormwater should not be missed.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on February 17, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 12 yes, 0 no, 1 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to pass motion 14-0748 presented by Councilmember Felipe Fuentes and Seconded by Councilmember Michael Bonin.”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
