WHEREAS, it is in the DEPARTMENT's best interest to secure these services from CONTRACTOR; and

WHEREAS, the DEPARTMENT has the need for playground equipment, surfacing, site furnishings and related products and services on an as-needed basis; and

WHEREAS, CITY has registered on-line with the U.S. Communities, which is a prerequisite for Participating Public Agencies who wish to access the County of Mecklenburg's Master Agreement (i.e., Contract No. 110179), competitively solicited and awarded to CONTRACTOR; and,

12. TERMINATION.

- 12.1. TERMINATION WITHOUT CAUSE. The County may terminate this Agreement at any time without cause by giving thirty (30) days written notice to the Company.
- 12.2. TERMINATION FOR DEFAULT BY EITHER PARTY. By giving written notice to the other party, either party may terminate this Agreement upon the occurrence of one or more of the following events:
 - (a) The other party violates or fails to perform any covenant, provision, obligation, term or condition contained in this Agreement, provided that, unless otherwise stated in this Agreement, such failure or violation shall not be cause for termination if both of the following conditions are satisfied: (i) such default is reasonably susceptible to cure; and (ii) the other party cures such default within thirty (30) days of receipt of written notice of default from the non-defaulting party; or
 - (b) The other party attempts to assign, terminate or cancel this Agreement contrary to the terms hereof; or
 - (c) The other party ceases to do business as a going concern, makes an assignment for the benefit of creditors, admits in writing its inability to pay debts as they become due, files a petition in bankruptcy or has an involuntary bankruptcy petition filed against it (except in connection with a reorganization under which the business of such party is continued and performance of all its obligations under this Agreement shall continue), or if a receiver, trustee or liquidator is appointed for it or any substantial part of other party's assets or properties.

Any notice of default pursuant to this Section shall identify and state the party's intent to terminate this Agreement if the default is not cured within the specified period.

- 12.3. ADDITIONAL GROUNDS FOR DEFAULT TERMINATION BY THE COUNTY. By giving written notice to the Company, the County may also terminate this Agreement upon the occurrence of one or more of the following events (which shall each constitute grounds for termination without a cure period and without the occurrence of any of the other events of default previously listed):

As soon as practicable after receipt of notice of termination, the Company shall submit a statement to the County showing in detail the services performed under this Agreement to the date of termination.

12.5. NO EFFECT ON TAXES, FEES, CHARGES, OR REPORTS. Any termination of the Agreement shall not relieve the Company of the obligation to pay any fees, taxes or other charges then due to the County, nor relieve the Company of the obligation to file any daily, monthly, quarterly or annual reports covering the period to termination nor relieve the Company from any claim for damages previously accrued or then accruing against the Company.

- 12.6. OBLIGATIONS UPON EXPIRATION OR TERMINATION. Upon expiration or termination of this Agreement, the Company shall promptly (a) return to the County all computer programs, files, documentation, data, media, related material and any other recording devices, information, or compact discs that are owned by the County; (b) deliver to the County all Work Product; (c) allow the County or a new service provider access to the systems, software, infrastructure, or processes of the Company that are necessary to migrate the Services to a new service provider; and (d) refund to the County all pre-paid Warranty Fees (other than pre-paid Warranty Fees for the then current year).
- 12.7. NO SUSPENSION. In the event that the County disputes in good faith an allegation of default by the Company, notwithstanding anything to the contrary in this Agreement, the Company agrees that it will not terminate this Agreement or suspend or limit the delivery of Products or Services or any warranties or repossess, disable or render unusable any Software supplied by the Company, unless (i) the parties agree in writing, or (ii) an order of a court of competent jurisdiction determines otherwise.
- 12.8. AUTHORITY TO TERMINATE. The County Manager or their designee is authorized to terminate this Agreement on behalf of the County.
- 12.9. AUDIT. During the term of the Agreement and for a period of one (1) year after termination or expiration of this Agreement for any reason, the County shall have the right to audit, either itself or through a third party, all books and records (including but not limited to the technical records) and facilities of the Company necessary to evaluate Company's compliance with the terms and conditions of the Agreement or the County's payment obligations. The County shall pay its own expenses, relating to such audits, but shall not have to pay any expenses or additional costs of the Company. However, if non-compliance is found that would have cost the County in excess of \$5,000 but for the audit, then the Company shall be required to reimburse the County for the cost of the audit.
- 13. TRANSITION SERVICES UPON TERMINATION. Upon termination or expiration of this Agreement, the Company shall cooperate with the County to assist with the orderly transfer of the Services, functions and operations provided by the Company hereunder to another provider or to the County as determined by the County in its sole discretion. The transition services that the Company shall perform if requested by the County include but are not limited to:

- c. Performing the transition service plan activities;
- d. Answering questions regarding the products and services on an as-needed basis; and
- e. Providing such other reasonable services needed to effectuate an orderly transition to a new system.
- 14. AMENDMENTS. In the event changes to the Agreement become necessary or desirable to the parties, the parties shall follow the procedures set forth in this Section. A Change shall be effective only when documented by a written, dated agreement executed by both parties which expressly references and is attached to this Agreement (an "Amendment"). The Amendment shall set forth in detail: (i) the Change requested, including all modifications of the duties of the parties; (ii) the reason for the proposed Change; and (iii) a detailed analysis of the impact of the Change on the results of the Services and time for completion of the Services, including the impact on any associated price.

In the event either party desires an Amendment, the party shall submit to the other party a proposed change. If the receiving party does not accept the Contract Amendment in writing within ten (10) days, the receiving party shall be deemed to have rejected the proposed change. If the parties cannot reach agreement on a proposed change, the Company shall nevertheless continue to render performance under this Agreement in accordance with its (unchanged) terms and conditions.

15. INDEMNIFICATION. The Company shall indemnify, defend and hold harmless the County and the County's officers, employees and agents from and against any an all losses, damages, costs, expenses (including reasonable attorneys' fees), obligations and other liabilities (including settlement amounts) paid or incurred any of them as a result of any claims, demands, lawsuits, actions, or proceedings: (i) copyright, trademark or patent infringement or other infringement of proprietary rights with respect to any of the Products or Services delivered to the County pursuant to this Agreement ("Infringement Claims"); (ii) seeking payment for labor or materials purchased or supplied by the Company or its subcontractors in connection with this Agreement; or (iii) arising from the Company's failure to perform its obligations under this Agreement, or from any act of negligence or willful misconduct by the Company or any of its agents, employees or subcontractors relating to this Agreement, including but not limited to any liability caused by an accident or other occurrence resulting in bodily injury, death, sickness or disease to any person(s) or damage or destruction to any property, real or personal, tangible or intangible; or (iv) arising from any claim that a Company employee or subcontractor is an employee of the County, including claims relating to worker's compensation, failure to withhold taxes and the like.

If an Infringement Claim occurs, the Company shall either: (i) procure for the County the right to continue using the affected Product or Service; or (ii) repair or replace the infringing Product or Service so that it becomes non-infringing, provided that the performance of the System or any component thereof shall not be adversely affected by such replacement or modification. If the Company is unable to comply with the preceding sentence within thirty days after the County is directed to cease use of a Product or Service, the Company shall promptly refund to the County all amounts paid under this Agreement, other than Extended Maintenance Fees.

The indemnification requirement is not intended to cover, and the Company is not responsible for, any damages that result from lack of maintenance; inadequate supervision; negligence; intentional acts of anyone other than the Company or their affiliates; inadequate surfacing; or vandalism.

It is the intent of any insurance provided by the Company to indemnify for product liability claims arising solely from the negligent design or manufacture of the Playground Equipment when such goods and services are provided by Company or Company's subcontractors. This clarifies and supersedes any other section of the contract concerning indemnification that could be interpreted otherwise.

The responsibility for maintenance and supervision belongs to the County or Participating Public Agency and the public user respectively.

#### Installers who share our vision

It isn't enough to send our installers to a third party certification program. We want to meet them, teach them, and make sure they know how to install *our* products. All playground equipment is different, and we want to ensure that when they learn how to put a play structure together, they are training on one of ours.

That's why at GameTime we offer an intensive training course at our facility. We want to make sure our installers know safety regulations, industry standards, and how they apply when installing our equipment. It is important to us that your installation process goes smoothly, and that everything is done to our exacting specifications.

#### **Certification Matters**

GameTime's exclusive Certified Installer Training course has a two-part curriculum. First, attendees learn about installation in a hands-on lab where they assemble play structures under the watchful eyes of our on-staff professionals. They learn about new products, modifications, and new industry information. They also are instructed on CPSC, ASTM, and industry regulations in relation to our products and proper installation. They learn how to properly locate and drill ground holes, recognize and avoid underground utilities, and use the tools needed to ensure an accurate installation.

The course also includes a lecture series, with focuses on risk management, insurance, and many other topics that will give installers the knowledge and skills to make your playground everything you expect it to be. By completing our training, we can have the confidence that no matter where they are in the US, all of our

# **Our Installers**

Our installers go through classroom and field training to ensure they know how to install our equipment.

Certificates are issued to installers after completion of our course, signifying they are trained to install GameTime equipment.

playgrounds are being installed correctly, expertly, and to the exacting standards that we maintain throughout all of our processes.

Upon completion of the course our installers sign a contract that we share with our sales force, so that when scheduling an installation our representatives know who to choose to get the job done right. This manufacturer specific training course is unique to GameTime alone, and is acknowledged in the industry as a program that should be a model for all. It's just one more thing that sets GameTime apart, and one more reason you should trust us to be your playground company.

# Poured Bonded Rubber Warranty

### **Playground Equipment**

GameTime warrants the GT Impax recycled poured bonded rubber surface installed and maintained in accordance to GameTime specifications, under this contract agreement for a period of three (3) years commencing from the date of substantial completion. This limited warranty shall provide for 100% of the cost for necessary repairs caused by the failure of the GT Impax Poured Bonded Rubber due to workmanship and materials only, and pertains only to the surfacing material agreed to under this contract.

This limited warranty includes GameTime's obligation to only repair and/or replace any defective materials or workmanship in the surface area or surface areas that have failed during the <u>first year</u> of the three-year warranty period. A failed area or failed areas include edge raveling, delaminating, peeling, color loss or loss of integrity as a result of the GT Impax recycled poured bonded rubber degradation. Due to maintenance requirements, edge raveling, delaminating, peeling or loss of integrity in the second and third year of the warranty is limited to material replacements only. Labor cost for resealing and/or repairing the poured bonded rubber pad will be at the expense of the end user. Material replacement due to color lost carries a one-year warranty.

GameTime is under no obligation or responsibility to repair and/or replace the GT Impax recycled poured bonded rubber surface if damaged during the curing process (Unless specified in contract), damage by vandalism (including stains, cuts, burns, gouges, etc.), product misuse, abuse or alteration, improper slab or base or sub-base design or construction, improper drainage, improper or lack of specified required maintenance, any foreign residue that may be deposited on the surface, normal wear and tear (including slight color variations, and color fading), damage from sharp objects (high heels, spikes, etc.), problems caused by moisture, alkali, hydrostatic pressure, cracking, shifting, or lifting of the substrate, or acts of God.

All warranty claims shall be made in writing to GameTime within thirty (30) days after the Owner has knowledge thereof, but in no event later than thirty (30) days after expiration of the warranty period. The written notification from the Owner shall include the following: the date of the first notice of the failure, details of the failure, photos of the failed area and a request for a warranty claim meeting with GameTime at the installation site (if applicable). GameTime shall not be responsible for warranty claims for any notices received from the Owner after thirty (30) days of Owner's first knowledge of the failure.

GameTime shall determine the validity of all claims after sufficient evidence has been gathered. GameTime shall then replace, repair or make a refund for any claims validated by it. Any refund, credit or allowance provided to the Owner on a warranty claim is exercisable only if said allowance is used to accommodate replacement with a GT Impax recycled poured bonded rubber surface.

Any dispute as to whether and to what extent there is a GT Impax recycled poured bonded rubber surfacing failure and a subsequent valid warranty claim within the meaning of this warranty shall be initially dealt with by joint investigation and discussion between GameTime and owner in order to achieve a mutually agreeable solution. If such a solution cannot be reached within thirty (30) days, then either the Owner of GameTime shall submit the matter to an arbitrator who is a member of the American Arbitration Association and who shall make a determination in accordance with the rules and regulation of said American Arbitration. The decision of said arbitrator shall be binding on both parties.

This limited warranty is exclusive of the underlying material (e.g. existing surface, existing or new asphalt, concrete, base, sub-base or sub-grade). If the underlying material fails for any reason whatsoever (including hydrostatic pressure, cracking, shifting, heaving), then GameTime warranty shall be rendered invalid. If the underlying material is concrete, a "curing agent" is NOT allowed; as it will probably cause delamination of the GT Impax recycled poured bonded rubber. Additionally, there is no warranty against surface cracking along expansion joints and underlying cracks, or separating from an adjacent border, curb or walkway. This limited warranty does not include discoloration as a result of ultraviolet rays, unapproved cleaning materials or vandalism. WARNING: Surface temperatures can prove dangerous under warm weather conditions. Shoes and/or socks must be worn during warm weather conditions.

Owner agrees that it will not, under any circumstances, make alterations to the GT Impax recycled poured bonded rubber surface without the written authorization of GameTime. Any unauthorized alteration by the Owner shall result in the immediate termination of all warranties for the GT Impax recycled poured bonded rubber surfacing and shall also give rise to the duty of the Owner to hold harmless, defend and indemnify GameTime from any claim, suit or cause of action, personal injury, death, or property damage arising out of or related to said alteration.

This limited warranty is expressly made in lieu of any other warranties and is exclusive to the original Owner. Owner acknowledges that the limited warranty will be voided if the Owner fails to follow the GameTime Maintenance Guidelines provided by GameTime. Owner agrees that in no event shall GameTime have any liability to Owner for loss of use or loss of profits or any form of consequential damages. NOTE: The following chemicals can cause potential damage to the GT Impax recycled poured bonded rubber and should be avoided: disinfectants, concentrated bleach, gasoline, diesel, hydraulic and lubricating oils, weak acids and organic solvents.

If the contract price is not paid in a timely manner as per the terms and conditions of the agreed contract, the limited warranty is automatically voided. Any damages to the surface during the curing period will be repaired or paid for at the Owner's expense. This limited warranty does not lessen or eliminate any other contractual obligation of Owner to GameTime.

DBA GAMETIME)

### **RECOMMENDATIONS:**

That the Board:

- 1. Approve the proposed contract, substantially in the form on file in the Board Office, between the City of Los Angeles (City) and PlayCore Wisconsin, Inc., dba GameTime (GameTime), for the purchase of playground equipment, surfacing, site furnishings and related products and services on an occasional and as-needed basis with a contract term expiring on September 16, 2015;
- 2. Find that Mecklenburg County, acts as the agent for participating governmental agencies for the purchase of playground equipment, surfacing, site furnishings and related products and services offered by GameTime and City is a participating agency;
- 3. Find that GameTime by written communication dated February 4, 2014, attached hereto and incorporated herein by reference as Attachment B, authorized City to utilize the Mecklenburg County contract terms and conditions for purchase of playground equipment, surfacing, site furnishings and related products and services;

### REPORT OF GENERAL MANAGER

### PG. 2 NO. <u>14-048</u>

- 4. Find as the contract awarding authority, in accordance with Charter Section 371(e)(2), the professional, scientific, expert, technical or other special services to be provided by GameTime are of a temporary and occasional character for which competitive bidding is not practicable or advantageous;
- 5. Find in accordance with Charter Section 371(e)(8), that the City may piggyback on the Mecklenburg County, a political subdivision of North Carolina, contract with GameTime, because contracts for cooperative arrangements with other governmental agencies for the utilization of the purchasing contracts and professional, scientific, expert or technical services contracts of those agencies and any implementing agreements are an exception to the City's competitive bidding requirements;
- 6. Find as the contract awarding authority, in accordance with Charter Section 371(e)(10), that the services to be provided by GameTime, are for the performance of professional, scientific, expert or technical services and the use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by common law;
- 7. Find as the contract awarding authority, in accordance with Charter Section 1022, that the Department of Recreation and Parks (Department) does not have, available in its employ, personnel with the necessary expertise to undertake the specialized professional tasks sought and the work can be performed more economically or feasibly by an independent contractor;
- 8. Authorize the General Manager, at his sole discretion, to extend the term of the Agreement, if Mecklenburg County exercises its options to renew its contract with GameTime, for two (2) additional one (1) year terms;
- 9. Direct the Board Secretary to transmit forthwith the proposed Contract to the Mayor for approval and to the City Attorney for review and approval as to form; and,
- 10. Authorize the Board President and Secretary to execute the proposed Contract upon receipt of the necessary approvals.

### SUMMARY:

The Department has an ongoing need for the purchase and installation of playground equipment, surfacing, site furnishings and related products and services. The ability to purchase and install such material and equipment is critical to meeting the Department's needs to build new and retrofit and repair existing park property.

### REPORT OF GENERAL MANAGER

### PG. 3 NO. <u>14-048</u>

The GameTime contract will provide the Department with a variety of turnkey designs, manufacturing and installation options for playground equipment, poured in place surfaces, and site furnishing. The contract will allow the Department the ability to select a wide variety of standard manufactured and customized recreation and parks equipment. If desired, the Department may use this contract to install, construct, build new and/or to retrofit, repair and maintain the Department's existing recreation & parks equipment.

Department staff is recommending that the Board authorize the Department to piggyback on Mecklenburg County's competitively bid contract with GameTime. GameTime has issued a letter dated February 4, 2014 (attached hereto and incorporated herein by reference as Attachment B) to the City which authorizes use of the contract with the Mecklenburg County. Under the current Mecklenburg County's contract agreement (Contract No. 110179), Section "D" of the "Statement of Background and Intent" and Section 2.6 expressly allows other entities to enter into their own contract with Gametime utilizing the terms and conditions of the Mecklenburg County's contract (Attachment A). Also, public agencies wishing to utilize the County of Mecklenburg's contract agreement must register on-line with the U.S. Communities at <u>www.uscommunities.org</u>. In compliance with this requirement, the City has registered with the U.S. Communities which is a prerequisite for Participating Public Agencies who wish to access the County of Mecklenburg's Master Agreement.

The Board Office will issue a separate contract number and the Agreement will be executed between GameTime and the City through the Board. GameTime's current contract with Mecklenburg County will expire on September 16, 2015. However, Mecklenburg County has the option to extend their contract with GameTime, which if exercised would extend the term of their Contract by two (2) years to September 16, 2017. In the event that Mecklenburg County exercises its options, Department staff recommends that the Department's General Manager be given the sole discretion to extend the term of the City's Agreement for two (2) additional years.

#### FISCAL IMPACT STATEMENT:

This contract will enable the Department to carry out various construction and maintenance projects that involve the construction, maintenance and/or retrofit of various recreation and parks equipment on an occasional and as-needed basis in order to enhance the recreational experience of the public. There will be no direct fiscal impact to the Department's General Fund as funding will be identified on a per project basis.

This Report was prepared by Jim Newsom, Management Analyst II, reviewed by Cid Macaraeg, Senior Management Analyst II, Planning, Construction and Maintenance Branch.

#### AGREEMENT

- I. Defined terms used in this Amendment shall have the same meaning as are assigned to such terms in the Agreement.

  - a) Incorporate a price increase of four percent (4%) for all GameTime products except GTH20 water play and GTImpax surfacing, due to the escalation in steel and plastic resin material costs. Price increases will be effective on orders entered April 7, 2011. Orders entered before April 7<sup>th</sup> will be exempt from the price increase providing the order ships prior to April 29, 2011.
- III. Except to the extent specifically provided in the amendment contained herein, this Amendment shall not be interpreted or construed as waiving any rights, obligations, remedies or claims the parties may otherwise have under this Agreement.

IV. In all other respects and expect as modified herein, the terms of the Agreement shall remain in force and effect.

IN WITNESS WHEREOF, an in acknowledgement that the parties hereto have read and understood each and every provision hereof, the parties have each caused this Amendment to be executed by its duly authorized representative, all as of the date first set forth above.

The Amendment shall set forth in detail: (i) the Change requested, including all modifications of the duties of the parties; (ii) the reason for the proposed Change; and (iii) a detailed analysis of the impact of the Change on the results of the Services and time for completion of the Services, including the impact on any associated price.

The indemnification requirement is not intended to cover, and the Company is not responsible for, any damages that result from lack of maintenance; inadequate supervision; negligence; intentional acts of anyone other than the Company or their affiliates; inadequate surfacing; or vandalism.

It is the intent of any insurance provided by the Company to indemnify for product liability claims arising solely from the negligent design or manufacture of the Playground Equipment when such goods and services are provided by Company or Company's subcontractors. Installers who share our vision

It isn't enough to send our installers to a third party certification program. We want to meet them, teach them, and make sure they know how to install our products. All playground equipment is different, and we want to ensure that when they learn how to put a play structure together, they are training on one of ours.

That's why at GameTime we offer an intensive training course at our facility. We want to make sure our installers know safety regulations, industry standards, and how they apply when installing our equipment. It is important to us that your installation process goes smoothly, and that everything is done to our exacting specifications.

Certification Matters

GameTime's exclusive Certified Installer Training course has a two-part curriculum. First, attendees learn about installation in a hands-on lab where they assemble play structures under the watchful eyes of our on-staff professionals. They learn about new products, modifications, and new industry information. They also are instructed on CPSC, ASTM, and industry regulations in relation to our products and proper installation. They learn how to properly locate and drill ground holes, recognize and avoid underground utilities, and use the tools needed to ensure an accurate installation.

The course also includes a lecture series, with focuses on risk management, insurance, and many other topics that will give installers the knowledge and skills to make your playground everything you expect it to be. By completing our training, we can have the confidence that no matter where they are in the US, all of our

playgrounds are being installed correctly. expertly, and to the exacting standards that we maintain throughout all of our processes.

Upon completion of the course our installers sign a contract that we share with our sales force, so that when scheduling an installation our representatives know who to choose to get the job done right. This manufacturer specific training course is unique to GameTime alone, and is acknowledged in the industry as a program that should be a model for all. It's just one more thing that sets GameTime apart, and one more reason you should trust us to be your playground company.

Poured Bonded Rubber Warranty

GameTime

Playground Equipment

GameTime warrants the GT Impax recycled poured bonded rubber surface installed and maintained in accordance to GameTime specifications, under this contract agreement for a period of three (3) years commencing from the date of substantial completion. This limited warranty shall provide for 100% of the cost for necessary repairs caused by the failure of the GT Impax Poured Bonded Rubber due to workmanship and materials only, and pertains only to the surfacing material agreed to under this contract.

This limited warranty includes GameTime's obligation to only repair and/or replace any defective materials or workmanship in the surface area or surface areas that have failed during the <u>first year</u> of the three-year warranty period. A failed area or failed areas include edge raveling, delaminating, peeling, color loss or loss of integrity as a result of the GT Impax recycled poured bonded rubber degradation. Due to maintenance requirements, edge raveling, delaminating, peeling or loss of integrity in the second and third year of the warranty is limited to material replacements only. Labor cost for resealing and/or repairing the poured bonded rubber pad will be at the expense of the end user. Material replacement due to color lost carries a one-year warranty.

GameTime is under no obligation or responsibility to repair and/or replace the GT Impax recycled poured bonded rubber surface if damaged during the curing process (Unless specified in contract), damage by vandalism (including stains, cuts, burns, gouges, etc.), product misuse, abuse or alteration, improper slab or base or sub-base design or construction, improper drainage, improper or lack of specified required maintenance, any foreign residue that may be deposited on the surface, normal wear and tear (including slight color variations, and color fading), damage from sharp objects (high heels, spikes, etc.), problems caused by moisture, alkali, hydrostatic pressure, cracking, shifting, or lifting of the substrate, or acts of God.

All warranty claims shall be made in writing to GameTime within thirty (30) days after the Owner has knowledge thereof, but in no event later than thirty (30) days after expiration of the warranty period. The written notification from the Owner shall include the following: the date of the first notice of the failure, details of the failure, photos of the failed area and a request for a warranty claim meeting with GameTime at the installation site (if applicable). GameTime shall not be responsible for warranty claims for any notices received from the Owner after thirty (30) days of Owner's first knowledge of the failure.

GameTime shall determine the validity of all claims after sufficient evidence has been gathered. GameTime shall then replace, repair or make a refund for any claims validated by it. Any refund, credit or allowance provided to the Owner on a warranty claim is exercisable only if said allowance is used to accommodate replacement with a GT Impax recycled poured bonded rubber surface.

Any dispute as to whether and to what extent there is a GT Impax recycled poured bonded rubber surfacing failure and a subsequent valid warranty claim within the meaning of this warranty shall be initially dealt with by joint investigation and discussion between GameTime and owner in order to achieve a mutually agreeable solution. If such a solution cannot be reached within thirty (30) days, then either the Owner of GameTime shall submit the matter to an arbitrator who is a member of the American Arbitration Association and who shall make a determination in accordance with the rules and regulation of said American Arbitration. The decision of said arbitrator shall be binding on both parties.

Gamenne)

This limited warranty is exclusive of the underlying material (e.g. existing surface, existing or new asphalt, concrete, base, sub-base or sub-grade). If the underlying material fails for any reason whatsoever (including hydrostatic pressure, cracking, shifting, heaving), then GameTime warranty shall be rendered invalid. If the underlying material is concrete, a "curing agent" is NOT allowed; as it will probably cause delamination of the GT Impax recycled poured bonded rubber. Additionally, there is no warranty against surface cracking along expansion joints and underlying cracks, or separating from an adjacent border, curb or walkway. This limited warranty does not include discoloration as a result of ultraviolet rays, unapproved cleaning materials or vandalism. WARNING: Surface temperatures can prove dangerous under warm weather conditions. Shoes and/or socks must be worn during warm weather conditions.

Owner agrees that it will not, under any circumstances, make alterations to the GT Impax recycled poured bonded rubber surface without the written authorization of GameTime. Any unauthorized alteration by the Owner shall result in the immediate termination of all warranties for the GT Impax recycled poured bonded rubber surfacing and shall also give rise to the duty of the Owner to hold harmless, defend and indemnify GameTime from any claim, suit or cause of action, personal injury, death, or property damage arising out of or related to said alteration.

This limited warranty is expressly made in lieu of any other warranties and is exclusive to the original Owner. Owner acknowledges that the limited warranty will be voided if the Owner fails to follow the GameTime Maintenance Guidelines provided by GameTime. Owner agrees that in no event shall GameTime have any liability to Owner for loss of use or loss of profits or any form of consequential damages. NOTE: The following chemicals can cause potential damage to the GT Impax recycled poured bonded rubber and should be avoided: disinfectants, concentrated bleach, gasoline, diesel, hydraulic and lubricating oils, weak acids and organic solvents.

If the contract price is not paid in a timely manner as per the terms and conditions of the agreed contract, the limited warranty is automatically voided. Any damages to the surface during the curing period will be repaired or paid for at the Owner's expense. This limited warranty does not lessen or eliminate any other contractual obligation of Owner to GameTime.
