HOUSING

MOTION

There are a number of issues involving litigation matters against the City concerning the American with Disabilities Act (ADA), including Independent Living Center of Southern California, et. al. v. City of Los Angeles. Inasmuch as the Council will be on recess and Council action may be required in the near future, outside legal counsel should be requested to provide a briefing to the Council at the next available Council meeting.

I THEREFORE MOVE that the City Council request the outside counsel the law firm of Byrne & Nixon, the General Manager of the Housing and Community Investment Department, and other appropriate departments, to provide a briefing relative to current ADA litigation and related matters.
