**SUMMARY**

The Los Angeles Police Department (LAPD) is seeking approval to accept a \$750,000 grant award for the 2018-19 Real Estate Fraud Prosecution Grant Program (Program) from the County of Los Angeles Real Estate Fraud Prosecution Trust Fund Committee (County) for the period July 1, 2018 through June 30, 2019. This is the eighteenth year of funding for this program. The Department also requests resolution authority for one Detective III and two Detective IIs to staff the program.

**BACKGROUND**

The Real Estate Fraud Prosecution Trust Fund (Trust Fund) is funded by a filing fee for real estate documents recorded in the County, as provided by California Government Code Section 27388. The Trust Fund supports the efforts of local law enforcement and prosecuting agencies to investigate and prosecute real estate fraud. The County evaluates applications for funds and provides grant awards to selected jurisdictions. The level of annual funding provided by the fee is dependent upon the number of document titles filed within the County of Los Angeles.

The REFU, which is within the LAPD's Commercial Crimes Division, is responsible for administering the City's Real Estate Fraud Prosecution Program. This unit handles white-collar real estate crimes within the City. The REFU is currently comprised of four full time staff. Two positions, one Detective III and one Detective II, were authorized by Council Resolution and funded by the grant and two regular authority positions, two Detective IIs, were funded by the General Fund. The Department is requesting authority to continue two resolution authority positions and an additional resolution authority for one Detective II position for a total of three resolution authority positions, one Detective III and two Detective IIs. This would reduce the number of General Funded positions in the REFU to one Detective II position.

The REFU opened 80 new cases in the 2017 calendar year in addition to the cases carried over from 2014-16. The REFU made 17 arrests from the cases filed by REFU Detectives. These cases tend to be complex, usually developing into multiple victims being identified. The Department also states that identity theft often becomes a starting point for real estate fraud cases. Under the grant agreement, the County will reimburse the City for expenses incurred as follows:

<u>Expense</u>	<u>Amount</u>
Sworn Salaries	\$411,982.25
Fringe Benefits	270,342.75
Sworn Overtime	60,000.00
Travel/Training	1,000.00
Subscription Service	100.00
Equipment – Cell phones and service	4,075.00
Office Supplies	2,500.00
<b>Total</b>	<b>\$750,000.00</b>

The LAPD will utilize \$750,000 to finance 100-percent of the salary and fringe benefit costs of one Detective III position and two Detective II positions. The remaining cost of one Detective II position is funded in the LAPD's 2018-19 Adopted Budget. The LAPD will also utilize \$60,000 in grant funds for sworn overtime expenses for the Detectives assigned on an overtime basis. This allows the LAPD to dedicate additional resources to case investigations, including interviewing victims and witnesses. The LAPD will also use \$1,000 for REFU personnel to travel to and attend trainings that will enhance their knowledge and expertise as it relates to real estate fraud. The balance of \$6,675 will be utilized for a subscription service, equipment, and office supplies. Further details on the grant are provided in the correspondence from the Board of Police Commissioners dated August 7, 2018 (C.F. 14-0955-S3).

### **FISCAL IMPACT STATEMENT**

Approval of the recommendations within this report will allow for the expenditure of the 2018-19 Real Estate Fraud Prosecution Grant Program award totaling \$750,000. The grant will provide 100-percent of the salary and fringe benefits costs of one Detective III position and two Detective II positions, overtime funding for sworn personnel, and other expenses. No matching funds are required for this grant. All other sworn salary and fringe benefit costs supporting this grant are already funded in the 2018-19 Adopted Budget and do not represent any additional General Fund impact.
