REPORT NO. R 18 - 0 2 1 5

JUN 22 2018

REPORT RE:

**DRAFT ORDINANCE AMENDING SECTION 85.02 OF THE LOS ANGELES
MUNICIPAL CODE TO EXTEND THE SUNSET PROVISION FOR VEHICLE
DWELLING ON CITY STREETS TO JANUARY 1, 2019**

The Honorable City Council
of the City of Los Angeles
Room 395, City Hall
200 North Spring Street
Los Angeles, California 90012

Council File No. 14-1057-S4

Honorable Members:

As requested by City Council, this Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality. The draft ordinance amends Subsection D of Section 85.02 of the Los Angeles Municipal Code (LAMC) to establish a sunset date of January 1, 2019.

The draft ordinance contains an urgency clause, which would allow its provisions to go into effect upon publication. The City's existing law regulating vehicle dwelling sunsets on July 1, 2018. Continuing the existing regulation of vehicle dwelling for another six months avoids the public peace, health and safety concerns that might arise in the absence of any regulation. Those concerns were articulated in the City Council's findings made at the time the existing City law was adopted in November 2016.

Council Rule 38 Referral

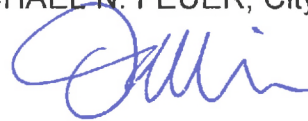

Copies of the draft ordinance were sent, pursuant to Council Rule 38, to the CAO, CLA, LAPD, DOT and the Planning Department. Departments were requested to report their comments, if any, directly to the City Council when this matter is considered.

If you have any questions regarding this matter, please contact Senior Assistant City Attorney Valerie Flores or Chief Assistant City Attorney David Michaelson. They or another member of this Office will be present when you consider this matter to answer questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney
