**Comments for Public Posting:** Please extend the ban on car camping. If you do not, we'll have more transients coming to Los Angeles to live on our streets free of charge, avoid paying rent, avoid working, take up public parking, trash our streets and potentially defecate on our sidewalks and gutters. Please do what's right for the people who live here, pay rent. mortgage and taxes. We are already over saturated with transients. Please create laws that protect our neighborhoods.
