Council File No: 14-1057-S8

Comments for Public Posting: LAMC 85.02 is a heinous and inhumane ordinance that directly criminalizes poverty and homelessness. It is an extremely harmful policy that has no place in our city. Criminalization does NOTHING to help the issues this city faces; it simply makes the problem worse. I call on the Council to show the moral leadership this city needs and to support the city's most vulnerable residents by voting to reject this criminalizing ordinance.
