Comments for Public Posting: Thank you city counsel!!! Hooray Hooray Hooray! Thank you from San Pedro to the San Fernando Valley! Los Angeles is not a place for homeless to just dump themselves and all their garbage on us. People, including homeless, have to find a city they can afford and if you are living on the street or in a car or motor home in Los Angeles, then Los Angeles isn't the place for you. Indiana, Oklahoma, Michigan, Nebraska, Missouri, West Virginia, Kansas, and Pennsylvania are all affordable places in the United States.
