**REPORT RE:**

**DRAFT ORDINANCE AMENDING SECTION 63.44 OF THE LOS ANGELES MUNICIPAL CODE (LAMC) TO ADD CERTAIN DEFINITIONS AND REVISE IN ITS ENTIRETY THE PREVIOUSLY SUSPENDED PROHIBITION ON VENDING IN PUBLIC PARKS, TO FURTHER DEFINE THE PROHIBITION AGAINST CAMPING IN PARKS AND TO SPECIFY THE PENALTIES FOR VIOLATION OF LAMC 63.44**

The Honorable City Council  
of the City of Los Angeles  
Room 395, City Hall  
200 North Spring Street  
Los Angeles, California 90012

Honorable Members:

This Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality, amending various subsections within LAMC Section 63.44, which sets forth regulations applicable at City parks, including beach parks. Specifically, the draft ordinance amends Subsection A of LAMC Section 63.44 to add certain operational definitions. This draft ordinance also revises in its entirety Subdivision 3 of Subsection B of LAMC Section 63.44, replacing the previously suspended prohibition on vending in public parks with a new subdivision regulating vending in public parks in a manner consistent with recent court rulings. Additionally, the draft ordinance amends Subdivision 4 of Subsection D and Subdivision 9 of Subsection I of LAMC Section 63.44 to further clarify the prohibition against camping in public parks and beach parks, except in areas designated for camping. Lastly, the draft ordinance adds two new Subsections, R and S, to LAMC Section 63.44. Subsection R modifies the penalties for violations of LAMC Section 63.44, and Subsection S adds a severability clause. This Office requests that the City Clerk place the draft ordinance on the first available City Council agenda for action on an urgency basis.

### Background and Summary of Ordinance Provisions

This draft ordinance reinstates a ban on commercial vending in public parks by replacing the previously suspended vending ban in Subdivision 3 of Subsection B of LAMC Section 63.44. Subdivision 3 was suspended by ordinance on October 1, 2005, as a result of litigation involving a challenge to the legality of another ordinance, LAMC Section 42.15, which banned commercial vending on the Venice boardwalk. In connection with two lawsuits against the City -- *Michael Hunt, Matt Dowd v. City of Los Angeles* (2011) 638 F. 3d. 703 and *Matt Dowd, et al. v. City of Los Angeles*, 2013 U.S. Dist. LEXIS 11145, the Ninth Circuit and the United States District Court, respectively, have clarified the legal standard applicable to the regulation of vending in parks. This draft ordinance revises Subsections A and B.3 of LAMC Section 63.44 to ensure that the City's regulation of vending in City parks is consistent with the recent court rulings.

This draft ordinance also seeks to amend Subdivision 4 of Subsection D of LAMC Section 63.44 to clarify the prohibition on camping and the use of tents within all City parks and beach parks, except in locations specifically designated for camping. The draft ordinance provides an exception for certain umbrellas and sun shades.

This draft ordinance further specifies progressive penalties for violations of LAMC Section 63.44.

### CEQA Recommendations

We recommend that prior to the adoption of this ordinance you determine that your action is exempt from the California Environmental Quality Act (CEQA) under State CEQA Guidelines Section 15378, because the ordinance is not a project in that it represents general policy and/or procedure making.

We also recommend that you determine that the adoption of the ordinance is exempt pursuant to State CEQA Guidelines Section 15301 (City CEQA Guidelines Article III, Section 1.a.), in that the ordinance involves negligible or no expansion of use of existing facilities; and State CEQA Guidelines Section 15305 (City CEQA Guidelines, Article III, Section 1.e.), in that the ordinance implements a minor change in park limitations. We also recommend that you find your adoption of the ordinance exempt from CEQA under Guidelines Section 15323, in that the ordinance provides for the normal operation of existing facilities for public gatherings. Finally, Council may determine that adoption of the ordinance is exempt from CEQA under City CEQA Guidelines Article II, Section 1 (General Exemption), because it can be seen with certainty that there is no possibility that the action in question may have a significant effect on the environment. If the City Council concurs, it may comply with CEQA by making one or more of the above determinations prior to or concurrent with its action on the ordinance. Council should thereafter direct staff to cause the filing of a Notice of Exemption.

Council Rule 38 Referral

A copy of the draft ordinance was sent, pursuant to Council Rule 38, to the Department of Recreation and Parks, the Los Angeles Police Department and the Department of General Services. The Board of Recreation and Parks Commissioners approved the draft ordinance at a meeting on July 23, 2014. The Board of Recreation and Parks Commissioners recommended that the Council consider a six month delay in implementation to provide public awareness of the new vending rules and also recommended lower penalties for second and subsequent violations of that ordinance. We ask that the Department of Recreation and Parks, the Los Angeles Police Department and the General Services Department provide comments directly to the City Council when you consider this matter.

If you have any questions regarding this matter, please contact Assistant City Attorney Valerie Flores at (213) 978-8149. She or another member of this Office will be present when you consider this matter to answer any questions you may have.

Very truly yours,

MICHAEL N. FEUER, City Attorney
