**NOTICE TO APPELLANT(S), APPLICANT(S), PROPERTY OWNERS/OCCUPANTS
WITHIN A 500-FOOT RADIUS, AND INTERESTED PARTIES**

You are hereby notified that the Planning and Land Use Management (PLUM) Committee of the Los Angeles City Council will hold a public hearing on **Tuesday, January 13, 2015**, at approximately **2:30 p.m.**, or soon thereafter, in the Board of Public Works Edward R. Roybal Hearing Room 350, City Hall, 200 North Spring Street, Los Angeles, CA 90012, to re-consider the proposed project the Los Angeles City Planning Commission (LACPC) approved for 1950 Avenue of the Stars, Los Angeles, CA 90067, and that was previously recommended for approval by the PLUM Committee, including the proposed Development Agreement ordinance that has been prepared by the City Attorney.

The proposed project the LACPC approved is Alternative 9 (Enhanced Retail) as described in the project's Subsequent Environmental Impact Report (EIR). The Enhanced Retail Alternative would include the construction of one 37-story, 700,000 square foot office building, approximately 10,338 square feet of low-rise, one- and two-story office space, a 2,389-square foot Mobility Hub, a 39,037-square foot Transit Plaza, approximately 17,102 square feet of ancillary retail, and a partially subterranean parking structure with 1,530 stalls on the Project Site. In addition, the Enhanced Retail Alternative would include a 2.14-acre landscaped green roof deck on the parking structure which would be open to members of the public between 6:00 a.m. - 8:00 p.m., seven days per week, as an additional public amenity. In total, the Enhanced Retail Alternative would comprise approximately 729,829 square feet of occupiable square footage, which would be a reduction of approximately 1,421 total square feet as compared with the previously proposed Modified Project, as described in the Subsequent EIR.

The PLUM Committee previously held a hearing on the proposed project on September 16, 2014, at which the PLUM Committee recommended that the City Council:

1. Certify the Subsequent EIR, adopt the Findings and Statement of Overriding Considerations, and adopt the Mitigation Monitoring and Reporting Program for the proposed project.
2. Deny the appeals filed by the parties listed below, from the entire determination of the LACPC in taking the actions described below.
3. Approve the proposed amendments to the previously approved Development Agreement between Century City Realty, LLC and the City of Los Angeles, subject to the additional modifications proposed by the LACPC and Council District Five. (The PLUM Committee also requested that the City Attorney prepare the Development Agreement ordinance for consideration by the Committee. The Development Agreement ordinance and City Attorney's report on the Development Agreement can be found in Council File No. 14-1130-S1.)

This subsequent hearing is held by the PLUM Committee to consider the proposed Development Agreement ordinance prepared by the City Attorney for the proposed amendment to the previously approved Development Agreement. This subsequent hearing is also held to reconsider the Subsequent EIR, including an Errata to the Subsequent EIR that has been prepared by the Department of City Planning, the Findings and Statement of Overriding Considerations, and the Mitigation Monitoring and Reporting Program, and the appeals filed by the parties listed below.

<u>Appellant</u>	<u>Representative</u>
1875 / 1925 Century Park East Company and WP Twin Towers Inc.	Benjamin Reznik, Jeffer Mangels Butler and Mitchell, LLP
Coalition to Save the Westside	Benjamin Reznik, Jeffer Mangels Butler and Mitchell, LLP
Beverlywood Homes Association	Benjamin Reznik, Jeffer Mangels Butler and Mitchell, LLP
One Hundred Towers, LLC	Benjamin Reznik, Jeffer Mangels Butler and Mitchell, LLP
Barbara Broide, President, Westwood South of Santa Monica Boulevard HOA (WSSM)	John B. Murdock, Attorney at Law

The appeals above related to the actions taken by the LACPC at its June 12, 2014 meeting, which included:

1. Adopted the Findings and modified Conditions of Approval contained in Council File No. 14-1130.
2. Approved the proposed Alternative Calculation of Trip Generation Factor for the project as 4.97 per 1,000 square feet of floor area.
3. Approved a Modified Project Permit associated with Alternative 9 (Enhanced Retail).
4. Recommended approval of proposed amendments to the previously approved development agreement between Century City Realty, LLC and the City of Los Angeles subject to the additional modifications as proposed by LACPC at its June 12, 2014 meeting. (A copy of the development agreement is attached to Council File No. 14-1130 as Exhibit A to the LACPC's August 4, 2014 written determination.)
5. Certified EIR No. ENV-2004-6269-EIR-SUP1 and adopted Findings and Statement of Overriding Considerations as provided in the environmental evaluation of the EIR. Also, pursuant to Section 21082.1(c)(3), adopted the proposed Mitigation Monitoring and Reporting Program.

Applicant: Century City Realty, LLC

Representative: George Muhlsten, Esq., DJ Moore, Esq., Latham and Watkins, LLP

NOTICE TO APPELLANT(S), APPLICANT(S), PROPERTY OWNERS/OCCUPANTS WITHIN A 500-FOOT RADIUS, AND INTERESTED PARTIES

You are hereby notified that the Planning and Land Use Management (PLUM) Committee of the Los Angeles City Council will hold a public hearing on **Tuesday, January 13, 2015**, at approximately **2:30 p.m.**, or soon thereafter, in the Board of Public Works Edward R. Roybal Hearing Room 350, City Hall, 200 North Spring Street, Los Angeles, CA 90012, to re-consider the proposed project the Los Angeles City Planning Commission (LACPC) approved for 1950 Avenue of the Stars, Los Angeles, CA 90067, and that was previously recommended for approval by the PLUM Committee, including the proposed Development Agreement ordinance that has been prepared by the City Attorney.

The proposed project the LACPC approved is Alternative 9 (Enhanced Retail) as described in the project's Subsequent Environmental Impact Report (EIR). The Enhanced Retail Alternative would include the construction of one 37-story, 700,000 square foot office building, approximately 10,338 square feet of low-rise, one- and two-story office space, a 2,389-square foot Mobility Hub, a 39,037-square foot Transit Plaza, approximately 17,102 square feet of ancillary retail, and a partially subterranean parking structure with 1,530 stalls on the Project Site. In addition, the Enhanced Retail Alternative would include a 2.14-acre landscaped green roof deck on the parking structure which would be open to members of the public between 6:00 a.m. - 8:00 p.m., seven days per week, as an additional public amenity. In total, the Enhanced Retail Alternative would comprise approximately 729,829 square feet of occupiable square footage, which would be a reduction of approximately 1,421 total square feet as compared with the previously proposed Modified Project, as described in the Subsequent EIR.

The PLUM Committee previously held a hearing on the proposed project on September 16, 2014, at which the PLUM Committee recommended that the City Council:

1. Certify the Subsequent EIR, adopt the Findings and Statement of Overriding Considerations, and adopt the Mitigation Monitoring and Reporting Program for the proposed project.
2. Deny the appeals filed by the parties listed below, from the entire determination of the LACPC in taking the actions described below.
3. Approve the proposed amendments to the previously approved Development Agreement between Century City Realty, LLC and the City of Los Angeles, subject to the additional modifications proposed by the LACPC and Council District Five. (The PLUM Committee also requested that the City Attorney prepare the Development Agreement ordinance for consideration by the Committee. The Development Agreement ordinance and City Attorney's report on the Development Agreement can be found in Council File No. 14-1130-S1.)

AN EQUAL EMPLOYMENT OPPORTUNITY - AFFIRMATIVE ACTION EMPLOYER

This subsequent hearing is held by the PLUM Committee to consider the proposed Development Agreement ordinance prepared by the City Attorney for the proposed amendment to the previously approved Development Agreement. This subsequent hearing is also held to reconsider the Subsequent EIR, including an Errata to the Subsequent EIR that has been prepared by the Department of City Planning, the Findings and Statement of Overriding Considerations, and the Mitigation Monitoring and Reporting Program, and the appeals filed by the parties listed below.
