NOTICE TO APPELLANT(S), APPLICANT(S), AND INTERESTED PARTIES

You are hereby notified that the Planning and Land Use Management (PLUM) Committee of the Los Angeles City Council will hold a public hearing on **Tuesday, September 16, 2014**, at approximately **2:30 p.m.**, or soon thereafter, in the Board of Public Works Edward R. Roybal Hearing Room 350, City Hall, 200 North Spring Street, Los Angeles, CA 90012, to consider the proposed project the Los Angeles City Planning Commission (LACPC) approved for 1950 Avenue of the Stars. The proposed project the LACPC approved is Alternative 9 (Enhanced Retail) as described in the project's Environmental Impact Report (EIR). The Enhanced Retail Alternative would include the construction of one 37-story, 700,000 square foot office building, approximately 10,338 square feet of low-rise, one- and two-story office space, a 2,389-square foot Mobility Hub, a 39,037-square foot Transit Plaza, approximately 17,102 square feet of ancillary retail, and a partially subterranean parking structure with 1,530 stalls on the Project Site. In addition, the Enhanced Retail Alternative would include a 2.14-acre landscaped green roof deck on the parking structure which would be open to members of the public between 6:00 a.m. - 8:00 p.m., seven days per week, as an additional public amenity. In total, the Enhanced Retail Alternative would comprise approximately 729,829 square feet of occupiable square footage, which would be a reduction of approximately 1,421 total square feet as compared with the Modified Project. At the September 16, 2014 hearing, the PLUM Committee will consider (1) the Environmental Impact Report (EIR), the Findings and Statement of Overriding Considerations, the Mitigation Monitoring and Reporting Program for the proposed project; (2) the appeals filed by the parties listed below, from the entire determination of the LACPC in taking the five actions listed below; and (3) proposed amendments to the previously approved Development Agreement between Century City Realty, LLC and the City of Los Angeles, subject to the additional modifications proposed by the LACPC. The draft Development Agreement is attached as Exhibit A to the LACPC's August 4, 2014 written determination.
