I am totally against these plans and support to exempt horse keeping properties from the proposed ordinance recommended by CPC 2015-4474CA and ENV-2015-4475-CE on the basis that the environmental impacts of the ordinance relative to Horse keeping properties has not been adequately protected!! Please do not move forward on these ordinances!!

Dear Sir or Madam

Please **exempt horsekeeping properties** from the proposed ordinance recommended

by CPC 2015-4474CA and ENV-2015-4475-CE on the basis that the Environmental impacts of the ordinance relative to horsekeeping properties has not been adequately protected.

Thank you,

Lynn Brown
