MAYOR

April 15, 2016

Jose Huizar, Chair  
Planning and Land Use Management Committee  
Room 465, City Hall

Dear Councilmember Huizar:

At its meeting held April 6, 2016, the Housing Committee considered a report from the City Planning Commission relative to creating a process for granting legal status to currently existing unapproved dwelling units in multiple-family buildings when certain affordability criteria and performance standards are met. At that time, Committee recommended that Council approve the City Planning Commission recommendations, as amended to:

APPROVE the accompanying draft ordinance, as amended to include an urgency clause; and,

REQUEST that the City Attorney report relative to the legality of modifying Subdivision 10(i)4 to replace "should" with "shall."

Pursuant to the dual referral of this matter, the subject Council file is hereby transmitted to your Planning and Land Use Management Committee for consideration.

Sincerely,

John A. White, Legislative Assistant  
Housing Committee
