RE: SCC Board Approval of Proposition 1 Grant for the Implementation Plan for Taylor Yard
· River Park

Dear Ms. Doherty,

On April 27, 2017, the Coastal Conservancy Board approved a grant of up to \$2,000,000 to the City of Los Angeles to develop the Implementation Plan, and install fencing and signage, for the Taylor Yard River Park on the Los Angeles River.

Staff will begin preparing the grant agreement for signature. Project expenditures will become eligible for reimbursement once the grant agreement is executed and a start work letter has been issued, which can occur once all of the conditions precedent in the grant agreement have been satisfied.

Please feel free to call me if you have any questions about the project or the grant agreement. I look forward to working on this very exciting project!

Sincerely,
